DEDICATION

This book is dedicated to the **HOLY GHOST** for inspiring me to write this eye opening book.

APPRECIATION

My appreciation goes to my dedicated wife, **MRS NGOZI OLAYERI**, who typed the manuscript of this book and designed the cover page. My darling wife I say thank you. My appreciation equally goes to my lovely children, **MISS IBUKUN, DAVID, MICHAEL COMFORT and MERCY**. They encouraged me day and night as I write this book

Respect and honor should be given to who is due. Favor comes from God and men as well. My calling (writing evangelism) met the timely support of a particular man of God, preacher, teacher, prophet and General Overseer. He awakes my inner man and gave me sound spiritual support. Without his earlier support for my first book, [Fire for Fire Prayer Book](#) and subsequent ones, I may not be where I am today in Christian literature writing. He gallantly stood by me in fulfillment of my calling.

This book you are holding is a testimony of my claim. This book wouldn't have seen the light of the day, if not for the spiritual encouragement I gathered from my father in the Lord who served as spiritual mirror that brightens my hope to explore my calling.

I am talking of no any other person than the **General Overseer of MOUNTAIN OF FIRE AND MIRACLES MINISTRIES WORLD WIDE, DR. D. K. OLUKOYA**.

Once again, I say thank you sir. Your support has yielded yet another earth shaking book.

THANKS.

Evangelist Tella Olayeri.

PREFACE

This pocket dream dictionary is a pullout from my main book **DICTIONARY OF DREAMS**. Since dreams serve as spiritual communication link between heaven and men, this book shall serve to unravel deep secrets and messages passed to us through dreams. Hence, to avoid huge loses that may be experienced through dreams; it is good we understand messages impregnated in dreams.

Dreams have become part and parcel of humanity. While some add value to life, some serve as instruments of wickedness and humiliation, and or, warnings to propel our lives further. This makes the author, write the book in alphabetic order from A to Z.

Dream can be defined in multiple ways. The fact is, dream represent mental activity that occurs when conscious control is removed. Dreams often expose problems that we may refuse to recognize consciously, and by so doing can lead to positive action. No dream comes by accident. Hence, you need wisdom to understand better, spiritual implications involved.

Dreams can best be given audience when digestion is usually completed, when the body muscles are normally relaxed and the mind is free of the day's events. Such time spread through 1 A.M to 6 A.M in the morning. Yet God can reveal through vision and dream during the day as well.

It is high time you take your dream life serious, by nullifying or accepting it, as the case may be. As you study this book, you shall experience opportunity to decode what God is saying through coded language of the spirit and put a stop to mysteries in dreams.

This book will therefore make it easy for you to know meanings of your dreams without stress. It will further enlighten you take prophetic steps to actualize, fulfill or reject such dream. The book exposes wicked strategies of agents of darkness and prayers needed to scatter their plans before it is hatched. You are about living cross road of dreams uncertainty for dream revelations and understanding, as this book shall unveil masks in your face.

This is a loaded dream book you need to have. It shall propel your spiritual revival and provide you with needed keys to bring God's guidance into reality in your life. As you apply it to your situation, it will definitely make you rise as champion in matters relating to dreams and interpretations.

Better still, you need to have my main book on dreams titled **DICTIONARY OF DREAMS**, where the book you are holding is extracted. The earlier you buy **DICTIONARY OF DREAMS**, the better.

PRAYER TO CLAIM GOOD DREAMS.

PRAYER TO CANCEL BAD DREAMS.

DONATE TO THE MINISTRY

FREE BOOKS

We must not fold arms in the midst of battle. The life is battle itself. We need to pray and cancel decisions of darkness against us. We are born to win not to lose. Many times we lose out because we don't know how to pray or go about challenges we face.

Also, you must know how to claim and retain what God gives you, called destiny. You must not be robbed!

Brethren, your case is not close until you decide to close it. Don't give up, fight on in faith, you are born to win. Be violent in prayer. The degree of your violence in prayer determines the victory that awaits you. It is time you count spoils not loss, triumph not defeat.

I have some free books for you to put fire to your prayer zeal. Pick them and inform others. Try and share your experience with five to ten people. You may be the one God sent. Don't leave them outside prayer war room.

Be your brother/sister keeper. Good-luck
