

Night time accessing

*This prayer deals with night tortures, summoning, accessing, programming, sleeplessness, sleep walking and night mares. This prayer is only done **after** the spiritual spouses have been divorced from your seed line and blood line.*

Father, I come before You today in the name of Yeshua, representing myself – all of my humanity, my DNA, seed and genes and that of those which I represent in the spirit today. Father, I can only enter your courts through and because of the blood of the Lamb and therefore I humbly surrender to Salvation, Yeshua, and the complete work of the Cross.

I thank You, Father, that because of my covenant with You, that I and all that pertains to me are safe as I bring my petition today. I thank You for Your protection against any reprisal or backlash in the spirit because of this which I need to bring today.

Father, my petition today is regarding the works of the spiritual spouses and their offspring still operative in my seed, DNA and genes. Your Word is very clear on how we should deal with the alien nations and foreign peoples, stemming from the giants of old and who are still in possession our promised land.

Deu 7:1-8 WHEN THE Lord your God brings you into the land which you are entering to possess and has plucked away many nations before you, the Hittites, the Girgashites, the Amorites, the Canaanites, the Perizzites, the Hivites, and the Jebusites, seven nations greater and mightier than you, And when the Lord your God gives them over to you and you smite them, then you must utterly destroy them. You shall make no covenant with them, or show mercy to them. You shall not make marriages with them; your daughter you shall not give to his son nor shall you take his daughter for your son, For they will turn away your sons from following Me, that they may serve other gods; so will the anger of the Lord be kindled against you and He will destroy you quickly. But thus shall you deal with them: you shall break down their altars and dash in pieces their pillars and hew down their Asherim [symbols of the goddess Asherah] and burn their graven images with fire. For you are a holy and set-apart people to the Lord your God; the Lord your God has chosen you to be a special people to Himself out of all the peoples on the face of the earth. The Lord did not set His love upon you and choose you because you were more in number than any other people, for you were the fewest of all people. But because the Lord loves you and because He would keep the oath which He had sworn to your fathers, the Lord has brought you out with a mighty hand and redeemed you out of the house of bondage, from the hand of Pharaoh king of Egypt.

1 Sam 15:18 And the Lord send you on a mission and said, Go, utterly destroy the sinners, the Amalekites and fight against them until they are consumed.

Father, I am standing before You today to take up this task to utterly destroy the works, altars, worship, cities and the offspring of the workers of darkness and sexuality until they are consumed. Father, I need Your help, because You are our ever-present help in need, You are the All Consuming Fire. I repent Father, that up and to this day I have divorced them, breaking my generational covenant with them, but I have left their works mostly or partly untouched. (if you have not yet done so, you will need to deal with this first).

I repent and acknowledge that as You look at me in the spirit that you see their works as cities and altars making sound against our right standing with You, in the spirit. I repent of this mixed seed still in operation in me. I repent, Father that we have had mercy upon them and have spared them and their dwelling places. I repent that we have not silenced their sound in the spirit and have not utterly destroyed their places of worship in all time, space and dimension including their place in our DNA, seed and epigenetics.

Father, I acknowledge that because of our ignorance, rebellion and free will choices we have left ourselves still aligned with these spiritual entities. I repent Father, that in the spirit their cities, altars strongholds and worship are still active in us aligning us with them.

Father, I now understand that the fruit of this ungodly alignment with them - of their works and dwelling places still within us - have opened us up to their visitations, specifically, in the night hours. I see the fruit of fear in the night, sleeplessness, anxiety, night mares, sleep walking, of being accessed, summoned, programmed, packed and tortured in the night seasons in me and my loved ones' lives. I take full responsibility of this today. I repent my King of my ignorance as taking these things and regarding them as 'normal' even when we see this fruit being hereditary in our family lines.

Father, I understand that the spiritual spouses have impregnated us for generations with seeds of fear, stress, anxiety, bitterness, anger, depression, self-hate, torture and so many other things applicable but not specifically mentioned. I repent Father, that my spiritual womb (whether I am male or female) have born these 'babies' of stress, anxiety, fear, distrust, unfaithfulness and so many others and that I now have a dark cloud of witnesses in the spirit with which I am still aligned. Father, I repent for being part of this dark spiritual community – including as such, the 12 tribes of darkness.

I understand, Father, and take full responsibility, that these are the inhabitants of the mentioned demonic cities still in me in the spirit realm. I repent that these are my dark offspring. I repent that they are making sounds of dark imaginings and dark emotions drawing me, summoning and influencing my well being in spirit, soul and body and specifically in my unconscious mind when I am asleep. I repent of the sounds of worship of fear, anxiety, stress, depression, anger (and all the others) that are constantly being

uttered by these in the spirit realm. I repent that this has caused me to be open to their programming and influencing of my spiritual, emotional and physical well being.

I repent Father, that through these sins, transgressions and iniquities of my seed and bloodline that I am still connected to land in a defiled way. I also bring this before You as part of my petition today. Father, it is the desire of my heart to be loosened from these places in all time, space and dimension. I repent of the roll I have played in the ceremonies and the ranking I have in these dark communities. I understand and I repent, Father, that because of my alignment with these that I am operating as a generator to keep my DNA and seed aligned to and in bondage with these dark communities, the cities and their inhabitants.

Father, I repent that the spiritual spouses can access and summon my dream portals and use me for dark works in the night season. I repent that my dreams have been open to their programming for generations. I repent that they also access me through their night creatures and specifically their night mares to program me, summon me and align me – keeping me loyal and under their dominion.

So, Father, today, I stand before You and I choose to be loosened from the structures, communities, rankings and position in these. In the name of Yeshua, I ask that these will be utterly consumed. In the name of Yeshua I declare an abortion of that which I was impregnated with by the spiritual spouses. I ask Father, for a killing of that which they have successfully planted in me. In the name of Yeshua I ask for an utter destruction of their works in my times, DNA, seed and genes. I ask that every seed of fear, and their offspring will be totally consumed and destroyed which are perverting my faith.

In the name of Yeshua, I renounce the works of these spiritual spouses in my DNA, seed and genes. Father, I ask for an utter destroying of all that which I have conceived and birthed which is associated with this. In the name of Yeshua, I cleanse my spiritual womb and seal it off with the blood of the Lamb. I repent that this womb has been dedicated to the kingdom of darkness and could be used for generations for their purposes. In the name of Yeshua I cut off and utterly destroy the spiritual umbilical cords still at work in the spiritual realm between me and these spiritual spouses and dark communities.

In the name of Yeshua, I unhook our spiritual senses from these communities and altars. By the Blood of the Lamb we cleanse the generational memory banks carrying the files of the programming and alignment with these in all time, space and dimension including those pertaining to my genes.

In the name of Yeshua I ask that the night creatures and specifically the night mares will be trapped and taken into custody in the kingdom of light. In the name of Yeshua I reject the rehearsing of bad dreams in my seed and generations. In the Hebrew the phrase 'utterly destroy' refers to cursing their existence. Father, in the name of Yeshua, I do this today. In the name of Yeshua I curse the works of the spiritual spouses in my seed, genes and DNA. In the name of Yeshua declare that it will no longer bear fruit in us! I also curse the kings and all other ranking of these offspring in the kingdom of darkness. I come in agreement with Josh 6:21 and declare this Word over me:

Then they utterly destroyed all that was in the city, both man and woman, young and old, ox, sheep and donkey, with the edge of the sword. Father, Your Word is the sword – I come in agreement today. Father, we repent of taking for ourselves the spoils of war, when we battled these spirits in the past, and also for offering these defiled things to you as a sacrifice. (1 Sam 15: 20-28) I repent for every instance where we have feared man and spirits and the kingdom of darkness more than You. Please cancel and remove these sounds of worship in the Name of Yeshua.

In the name of Yeshua, we come today and also utterly destroy, and curse the altars and places of worship mentioned above still active in us. In the name of Yeshua we bring the fire of YHVH to utterly consume it.

In the name of Yeshua we utterly destroy the control of these demons and night creatures from our seed, DNA, genes and humanity. We utterly destroy them and curse their works in the name of Yeshua. We thank You for unhooking us from all defiled land and spiritual places in all time, space and dimension. In the name of Yeshua we trade the seed of fear and all the other negative emotions as well as illnesses which are a result of our disobedience and sin for seeds of faith. In the name of Yeshua, we trade dark night visitations for spiritual encounters with You. We utterly destroy all images and sounds, media and devices pertaining to this. I thank You, Yeshua that in Your name, all human spirits, dead human spirits and spiritual entities hooked into us because of these works still being active, is being utterly destroyed, today. I thank You that in the name of Yeshua the octopus device over our dreams and thoughts in the night season are also now being utterly destroyed.

We ask that it will be noted in Your courts today that we choose to bear and raise an army of faith, hope, love, righteousness, justice, peace, rest, order, of being set apart and carriers of Your glory.

In the name of Yeshua I utterly destroy anything and everything pertaining to the kingdom of darkness that grants legal access to my night seasons and dreams. In the name of Yeshua I stand against and utterly destroy every curse associated with my night seasons. In the name of Yeshua, I also utterly destroy every demonic force,

assignment, stronghold, strongman or power which controls my dreams. In the name of Yeshua I utterly destroy every evil sound and image in my night seasons. In the name of Yeshua I utterly destroy the recurrence of dark dreams in my generational line. In the name of Yeshua I utterly destroy any manipulation in my night seasons. In the name of Yeshua, I utterly destroy any path or portal or access point in all time, space and dimension including my genes through which the kingdom of darkness can access me in the night season. In the name of Yeshua I utterly destroy all programming and demonic devices still in operation in us. In the name of Yeshua I repent of and utterly destroy the curse and belief system that I need to be afraid of the dark. I ask that this generational memory download will be utterly destroyed. Your word states that bitterness of soul makes sleep to flee from us (Is 38:15). I repent Father, that we have for generations carried seed of bitterness and have birthed them. I repent that this has caused sleep to flee from us. Father, I now examine my thoughts and deeds and willingly bring the circumstances and relationships and thoughts wrapped in bitterness before You, please forgive me. (please spend sufficient time on this if you struggle with bitterness. I ask in the name of Yeshua, that through my repentance that these seeds and witnesses of bitterness will be utterly consumed and destroy from my genes, humanity, DNA and seed in all time, space and dimension. I ask in the Name of Yeshua that sleep will be returned to me.

Father, I am willing to deal with the pain, concerns and defilement my spirit carries that causes me to sleep walk and not to enter into Your shalom. I ask that, Yeshua as truth and light will start penetrating my spirit and bring to the surface that which I need to deal with in order for me to rest in You. I thank You for healing me.

I repent that because of generational sin, transgression and iniquities human spirits can access my body and use me to do their bidding in the night seasons. I repent Father, of the sin or astral projection and willingly submit all silver cords attached to me in all time, space and dimension to Your fire.

Today we declare over our seed, genes and DNA and night seasons: *But, our way is not that of those who draw back to eternal misery and are utterly destroyed, but we are of those who believe who cleave to and trust in and rely on YHVH through Yeshua and by faith preserve the soul (Hebrew 10:39).*

We willingly surrender to times of watching and praying and wakefulness in the night season as they are ordained by You. We thank You that Your word states that You grant us a spirit of deep sleep and that we can surrender our spirits to be instructed by You, and You alone in the heavenly places as our bodies rests. *Prov 6:22 when you go, they the words of your parents' God will lead you, when you sleep they shall keep you and when you waken, they shall talk with you.* Your Word states in Ps 4:8 *in peace I will both lie down and sleep, for You, Lord, alone make me dwell in safety and confident*

trust. I thank You that Your word states and I now inscribe it on my spirit as my portion and provision from You, Prov 3:24 when you lie down, you will not be afraid, yes, you shall lie down and sleep shall be sweet.

I declare Ps 17:15 as for me, I will continue beholding Your face in righteousness (rightness, justice and right standing with you); I shall be fully satisfied, when I awake (to find myself) beholding Your form and having sweet communion with You.

We thank You for the strength and faithfulness of Your covenant with us and that through the blood of the Lamb that this is the highest bid overriding all other covenants.

In the name of Yeshua, I pray
