INTRODUCTION

PASTOR'S NOTE

Grace to you;

I want to thank you for downloading this e-book, '*Jezebel spirit exposed.*'

After months of contemplating about writing a book on this subject, finally I felt the time is right to share some of the knowledge and insight I have received from years in the ministry and from the Holy Spirit regarding the Jezebel spirit. I am sure you have read or are familiar with the subject, but I want to impart some of the knowledge that will help you further to discern and defeat this cruel spirit.

After years of being in the Church I have been amazed at how the devil can disguise himself and work his way up through this spirit to positions of power, sometimes even end up operating through pastors that lead great ministries.

I have learned that Jezebel spirit is not about beautiful women in Church who seduce the pastor as we were taught, but it's a deadly spirit that will not only seduce but do damage that is significant. **If the ministry fails to discern this spirit it will fall or become a religious Church.** I can count churches I know that were once powerful, but due to lack of spiritual sight they became prey of the Jezebel spirit and today they are powerless.

I know great men of God, who married and remarried, became greedy and exploited Gods people due to this spirit.

We as the body of Christ need to rise up and pray against this evil force. **The Jezebel spirit is not a gender based thing, it's a spiritual one, the enemy is advancing and men and women alike are used by the devil through the spirit of Jezebel.** So when I address the spirit as she; don't think I am referring to women only, but rather to both man and women, young and old.

This book will help pastors, ministers, intercessors, Christians who seek to grow in their walk with God. It will help those who are in churches filled with this spirit and by Gods help bring deliverance and a way out.

It will help those who are not even aware that they are influenced by this

spirit.

If you are not born again please accept Jesus Christ as your Lord and savior now before you go any further. Pray these words out loud;

‘Lord Jesus forgive me of my sins, I confess with my mouth that Jesus Christ is Lord and believe in my heart that God raised Him from the dead, I accept you Jesus, come and live in my heart. In Jesus name I pray. Amen.’

If you are already born again, depart from any form of sin, live a holy life, be in submission to God and spiritual authority and let God do the rest.

May you experience Him like never before in Jesus name.

At your service

SO WHAT IS THE JEZEBEL SPIRIT?

Jezebel's story is found in 1 and 2 Kings. She was the daughter of Ethbaal, king of Tyre, Sidon and priest of the cult of Baal, a cruel false god worshipper whose worship involved sexual immorality and lewdness. **Ethbaal was a type of antichrist and an enemy of God.** Ahab, king of Israel, married Jezebel and led the nation into Baal worship ([1 Kings 16:31](#)). Ahab and Jezebel's reign over Israel is one of the saddest chapters in the history of God's people.

There are two incidents in the life of Jezebel which characterize her and may help us define what is meant by the Jezebel spirit. **One trait is her obsessive passion for domineering and controlling others, especially in the spiritual realm.** When she became queen, she began a relentless campaign to rid Israel of all evidences of Jehovah worship. **She ordered the extermination of all the prophets of the Lord ([1 Kings 18:4,13](#))** and replaced their altars with those of Baal. So she is an enemy of true worship to the God of Israel who will fight anyone on her way. Her strongest enemy was Elijah, who demanded a contest on Mount Carmel between the powers of Israel's God and the powers of Jezebel and the priests of Baal ([1 Kings 18](#)). Of course, Jehovah won, but despite hearing of the miraculous powers of Jehovah, **Jezebel refused to repent and swore on her gods that she would pursue Elijah and take his life.** Her stubborn refusal to see and submit to the power of the living God would lead her to a terrible end and death.

The second incident involves a righteous man named Naboth who refused to sell to Ahab land adjoining the palace, rightly declaring that to sell his inheritance would be against the Lord's command ([1 Kings 21:3](#); [Leviticus 25:23](#)). While Ahab **sulked and fumed on his bed, Jezebel taunted and ridiculed him for his weakness, then proceeded to have the innocent Naboth framed and stoned to death.** Naboth's sons were also stoned to death, so there would be no heirs, and the land would revert to the possession of the king. **This sought of spirit will not take no for an answer and will seek to destroy even next generation.**

Jesus declares to the Thyatiran Church that she is not to be tolerated. Whoever this woman was, like Jezebel, she refused to repent of her immorality and her

false teaching, and her fate was sealed. The Lord Jesus cast her onto a sick bed, along with those who committed idolatry with her. **The end for those who bow to a Jezebel spirit is always death and destruction, both in the physical and the spiritual sense.**

I will say the best way to define the Jezebel spirit is to say it characterizes anyone who acts in the same manner as Jezebel did, **engaging in immorality, idolatry, false teaching and unrepentant sin. Anyone who vows to be an enemy of Gods people is under the Jezebel spirit. Weather they are aware of it or unconscious of it**

EXPOSING THE JEZEBEL SPIRIT

- The Jezebel spirit is born from witchcraft and rebellion. This is one of the enemies of the Church of Jesus Christ and sad to say that it is in the house of God. **This spirit operates even amongst believers.** These people can even be in positions of authority.
- This spirit is very popular amongst woman but, men too have been found to be victims of this spirit. **It seeks to control and manipulation.** It seeks to make chaos and leaves its victims completely destroyed. **This spirit is all about self-worship.**
- **This spirit seeks to kill servants of God, and seeks glory, recognition, power and the praise of men.**
- It's a self-centered spirit that it promotes evil, **and it's sometimes called Satan's woman.**
- *Jezebel* the name means '*without dwelling or habitation*', a true explanation of this spirit is all about confusion. **People who are filled with this spirit move from church to church and are often the most committed people in the church, but their motive and agenda is evil.**
- **Jezebel spirit hates humility, repentance, intercession and the prophetic ministry.** She is rooted in pride, and operates by intimidation, fear and threats. This is called blackmail.
- Jezebel uses others to get power and recognition; she uses emotional blackmail to get things her way.
- She becomes very angry and aggressive, she will not humble herself. She is a wolf dressed in lambs clothing.
- **Never wants to be corrected and will even rebel if it doesn't go her way.**

- Jezebel wants to be on top, even if there is a leader placed on top of her, she will seek to draw closer to those in authority and lure them into liking her.
- **She is a back stabber, she will smile, hug and kiss you today and tomorrow she will stab you in the back. Without mercy.**
- Jezebel is the ultimate manipulator, she will control you except she first seduce you.
- She is like a shark and will birth her own and use them even within the church to destroy.
- She creates soul-ties and wins people over; she is an expert at this.
- **If she/he is on top she puts fear on people and operates as a dictator. Sometimes these are pastors or spiritual leaders in Church.**
- She uses witchcraft prayers and mediums and to prophecy, she is a marine queen.
- She is a bossy spirit, and doesn't take offence lightly.
- **This spirit will get close to you and use the information you have given them against you.**
- **A person with this spirit likes to talk all the time**, because that's how they control you. You do the listening and they talk. They can change a subject five times in one conversation. They are confusing you and never respond to your comments. They switch off the moment you speak. **They hate confrontation; they criticize and complain all the time.**
- **This spirit is un-crucified flesh**, no matter how godly they look, they are not of God. Nothing pleases these spirits. She works through friends, family and even Christians.

- Her seductive personality comes from her looks; she is often beautiful if it's a woman or charming if it's a man.
- **The Jezebel never says sorry, even if forced they never feel remorse for their irresponsibility's.**
- Like she made Ahab to bow to her gods, **she will pull down anyone who stands in her way to follow her ways.**
- **In the ministry people with this spirit, spread rumors about the church and the servants of God.** They spread lies and will not rest until there is division or rebellion in the Church.
- **She always attends prayer meetings and be careful of her false fires; she will pollute the prayers of the saints.**

10 MAIN TRAITS OF THE JEZEBEL SPRIT

Jezebel is a spirit, but it finds access through selfish and stubborn Christians who refuse to die to self, they are un-crucified flesh.

1. **Manipulation and control;** Jezebel uses people to accomplish her agenda no matter the cost. The Jezebel spirit lets others do its deceitful work. The Jezebel spirit is clever in its agenda.
2. **Sows seeds of division;** this spirit will turn friends and family apart, she is two-faced and will smile with you now only to stab you next.
3. **Volunteers for anything;** Do you have people in your Church that are all over the show. A Jezebel volunteers in all departments in order to establish control. She is full of energy, she is often the one that everyone speaks about or looks up to.
4. **Lies;** A Jezebel lies convincingly. **No one can lie as well as she can. He can turn on the charm and make you believe white is black. She always fools those whom she's just met while those who have been victimized by her tactics stand by helplessly. The fact that Jezebel can look you in the eye and lie just shows how strong and adamant this rebellious and un-crucified spirit is.**
5. **. Giving of gifts;** Gift giving can be a form of manipulation. A Jezebel uses that to always make you feel obligated to her.
6. **Never gives credit or shows gratitude;** have you ever been around people who are ungrateful, that is one of the traits of Jezebel spirit.
7. **Is religious and prayerful;** Do you have people who are prayerful, but when you look at their fruits you can't seem to match the two together?
8. **Criticizes everyone;** Do you know people that have something to say always about the pastor or someone. They always find something negative to say

9. **Seeks attention;**they are forever the center of attention. Will do whatever it takes for it.

10. **Lack of submission;**they move from Church to Church, when they decide to settle in one they refuse to submit.They are the ones who don't tithe anddelay the vision of the Church.

DEFEATING THE JEZEBEL SPIRIT

PRAYER OF RENUNCIATION OF THE JEZEBEL SPIRIT

I believe God to lead you through these prayers now of renunciation and deliverance from the Jezebel spirit. **I encourage you to take one day water fast and pray earnestly for deliverance.** You might feel like this doesn't apply to you, but if the Spirit is saying pray, please do and stand in the gap for the Church. Remember this spirit is very subtle and sometimes hard to discern.

Pray out loud these prayers;

Father, today I stand before You in the name of your son Jesus Christ

- I choose to submit myself under Your Almighty Hand today, in order that You may lift me up again at the appointed time.

- I sincerely repent that I, through my lifestyle and behavior, have committed the following sins: (Pray through each of the following especially one that applies to you)
 1. Destroyed or opposed Your true prophets.
 2. Destroyed or opposed Your ordained authority.
 3. Opposed the work of the Holy Spirit and obstructed the flow of Your Spirit.
 4. Committed Idolatry.
 5. Witchcraft (Walked after the desires of the flesh)
 6. Evoked the Ahab spirit in others.
 7. Allowed the Ahab spirit to manifest through me.
 8. Abused my authority and leadership.
 9. Distorted other peoples' words to look good myself.
 10. Distorted Your words, even by speaking in Your name that which You have not really spoken
 11. Opposed leaders *etc.*

- I humbly ask for forgiveness, for the fact that I have been a stumbling block for them, and **I pray that You will remove this evil mantle I have worn up to now – and clothe me with new**

clothes, fragranced with Your love and acceptance. I ask forgiveness for the fact that I drank from the cup of Jezebel and that I have allowed her power to control me.

11. Thank You for complete redemption through the name and the blood of Jesus, through the sword of Your Word and the word of my testimony: “And they have overcome him by means of the blood of the Lamb and by the utterance of their testimony.”
(Rev 12:11)

12. I also pray, Holy Spirit, that You will lead me on this new road and that You will help me in this process of renewing of the mind in all of these areas.

13. I pray that You will take hold now of all the branching and infiltration and working of the Jezebel spirit in all parts of my body and soul, and pull it out of me until nothing remains.

14. I pray Father, that You will see to it that, through your Spirit, I will be prepared as part of Your Bride without spot or wrinkle.

15. Lord I pray that you will grand me my ordained spiritual covering or father, a spiritual home where I will be taught the truth and serve your purposes for my life.

16. Thank you Lord, for your great mercy and grace.

17. I seal this prayer now with the precious blood of Jesus Christ and thank you that you have heard me and that You freed me!Amen.
