**Ephesians 6:10-12** *“Finally, my brethren, be strong in the Lord, and in the power of his might. Put on the **whole armour of GOD**, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”*

## What is a Petition?

A petition is a written prayer, which acts almost like a legal document. The use of petitions is a very effective form of prayer and warfare. We encourage you to study the points below, and to then write your own petition, based on these guidelines. Ask the Holy Spirit to lead you ... always remember He is our Perfect Counsellor and will lead us into all Truth!

**1 Timothy 2.1** *“FIRST OF all, then, I admonish and urge that **petitions, prayers, intercessions, and thanksgivings** be offered on behalf of all men,”*

We see that petitions are one of the four different forms of prayer. It is vital that we make use of this weapon in our pursuit of GOD's Fullness for our lives.

There are three Hebrew words translated as **petition**.

- **shelah** (Strong's 7596);
- **mishalah** (Strong's 4862);
- **bagga shah** (Strong's 1245/6)

The words have the meaning of “to ask, beg, borrow, lay to charge, consult, demand, desire earnestly, inquire, pray, request, require, petition, or wish”.

We've seen that each letter of the Hebrew aleph-bet has it's own “picture-form”. When these picture-forms are put together (as used in a word), we get a deeper understanding of the word and it's meaning. Let's have a look at the picture-forms of the Hebrew word for “petition”, spelled SH-L-H:

- **Sh** (Shin) = ascending flames of fire.
- **L** (Lamed) = tongues exhorting, prodding.
- **H** (Hey) = window or opening in a tent.

Putting the picture-forms together, we understand that a “**petition** is when our **tongue** is prodding, pushing, and **pleading** ... and the words that are spoken are likened to **flames** of fire that **reach** into the Throne Room through the **window of Heaven**”.

The word **petition** has a legal connotation. We can only present our petitions before GOD’s Throne if we stand on legal ground ... and our petitions will be granted if we find favour in GOD’s Sight.

## **The question is then ... what legal ground do we have?**

Our foundation is the Covenant we are partnered in with GOD Almighty through the Blood of Y’shua<sup>2</sup> (Jesus). This is the highest Covenant there is, where GOD gave us His Son, Whose Blood is the COMPLETE Sacrifice for our sins. Our FAITH in Him gives us legal right to come **boldly** before FATHER GOD.

Let’s have a look at some of the Scriptures concerning the use of petitions.

### **Samuel and Hannah ...**

Remember the story of Hannah? She was married to and greatly loved by her husband, Elkanah ... however, Hannah was barren. Her prayer/petition was to ask the LORD to open her womb, and grant her children.

**1 Samuel 1.10-12** “And (Hannah) was in **distress of soul, praying** to the LORD and weeping bitterly. She vowed, saying, O LORD of hosts, if You will indeed look on the affliction of Your handmaid and (earnestly) remember, and not forget Your handmaid but will give me a son, I will give him to the LORD all his life; no razor shall touch his head. And as she continued praying before the LORD, Eli noticed her mouth.

**1 Samuel 1.17** Then Eli said, Go in peace, and may the GOD of Israel grant your **petition** which you have asked of Him.”

Eli calls Hannah’s prayer before the LORD a **petition**.

**1 Samuel 1.15-16** “But Hannah answered, No, my lord, I am a woman of a sorrowful spirit. I have drunk neither wine nor strong drink, but I was pouring out my soul before the LORD. Regard not your handmaid as a wicked woman; for out of my great complaint and bitter provocation I have been speaking.”

<sup>2</sup> Y’shua (Hebrew) is Jesus’ real name, which means “Salvation”. I have no problem with the name “Jesus” — it is merely the Greek transliteration of “Y’shua”. Jesus is the name most of us grew up with. Remember though, Y’shua was a Jew, of the Tribe of Judah, not a Greek. It’s sort of like this ... when you come to know someone’s real name, you want to use it, hence the use of Y’shua instead of Jesus. Another powerful reason to use Y’shua is that every time you say His Name, you are proclaiming “Salvation”. You will also note in some places, I have used the real Name of the FATHER, YHVH. The Name is made up of the Hebrew letters, **Yod-Hey-Vav-Hey**, and is most commonly pronounced “Yahweh” or “Jehovah”. Again, I have chosen to use this, as YHVH is the FATHER’s Name.

We see in the passage above, Hannah cried to the LORD, pouring out her soul before the LORD. She brought her **petition** before the LORD out of her great “complaint and bitter provocation”.

In this account, we see the usage of the meaning of the Hebrew word **shelah** (Strong’s 7596) - specifically, “**to earnestly desire**”.

Reading on to verse twenty-seven, we see the LORD granted Hannah her petition! She had found favour in His Sight!

To petition, your soul **must be poured out** to the LORD. It is a cry from your heart.

## **The favour of the LORD comes upon those who cry from the heart to Him.**

**Psalm 9.12** “For He Who avenges the blood (of His people shed unjustly) remembers them; He does not forget the cry of the afflicted (the poor and the humble).”

**Psalm 20.4-5** “We will (shout in) triumph at your salvation and victory, and in the Name of our GOD we will set up our banners. **May the LORD fulfill all your petitions.**”

Let’s look at an example in Scripture when the Hebrew word **mishalah** (Strong’s 4862) is used in terms of a petition.

## **Adonijah and Bathsheba ...**

In the following passage, we see Adonijah, one of David’s sons, petitioning Bathsheba, seeking her influence with Solomon.

**1 Kings 2.13-18** “Adonijah, the son of (David and) Haggith, came to Bathsheba, the mother of Solomon. She said, Do you come peaceably? And he said, Peaceably. He said, I have something to say to you. And she said, Say on. He said, You know that the kingdom belonged to me (as the eldest living son), and all Israel looked to me to reign. However, the kingdom has passed from me to my brother; for it was his from the LORD. Now **I make one request** of you; do not deny me. And she said, Say on. He said, I pray you, ask King Solomon, for he will not refuse you, to give me Abishag the Shunammite to be my wife. 18 And Bathsheba said, Very well; I will speak for you to the king.”

## **Esther ...**

We all know the story of Esther ... how she was born “for such a time as this” to save her people. After fasting three days, Esther is ready to speak to the king regarding her people and the edict Haman declared ... she puts on her royal robes and goes into the inner court of the king’s palace, close to his throne room. When the king saw her, she obtained favor in his sight. He asked what her request (**petition**) was and told her that he **would grant** her whatever it might be.

**Esther 5.1-8** “ON THE third day (of the fast) Esther put on her royal robes and stood in the royal or inner court of the king’s palace opposite his (throne room). The king was sitting on his throne, facing the main entrance of the palace. And when the king saw Esther the queen standing in the court, **she obtained favor in his sight**, and he held out to (her) the golden scepter that was in his hand. So Esther drew near and touched the tip of the scepter. Then the king said to her, What will you have, Queen Esther? **What is your request?** It shall be given you, even to the half of the kingdom. And Esther said, If it seems good to the king, let the king and Haman come this day to the dinner that I have prepared for the king. Then the king said, Cause Haman to come quickly, that what Esther has said may be done. So the king and Haman came to the dinner that Esther had prepared. And during the serving of wine, the king said to Esther, What is your petition? It shall be granted you. And what is your request? Even to the half of the kingdom, it shall be performed. Then Esther said, **My petition and my request is:** If I have found favor in the sight of the king and if it pleases the king to grant my petition and to perform my request, let the king and Haman come tomorrow to the dinner that I shall prepare for them; and I will do tomorrow as the king has said.”

**Esther 7.2-3** “And the king said again to Esther on the second day when wine was being served, **What is your petition**, Queen Esther? It shall be granted. And what is your request? Even to the half of the kingdom, it shall be performed. Then Queen Esther said, If I have found favor in your sight, O king and if it pleases the king, let my life be given me at my **petition** and my people at my request.”

**Esther 9.12** “And the king said to Esther the queen, The Jews have slain and destroyed 500 men in Shushan, the capital, and the ten sons of Haman. What then have they done in the rest of the king’s provinces! **Now what is your petition? It shall be granted to you.** Or what is your request further? It shall be done.”

## **The Bride of Messiah ...**

We must also put on the Royal Robes of Righteousness. We have the legal right to do this by our FAITH in Y’shua Ha’Mashiach (Jesus Christ)! Because of what Y’shua (Jesus) has done, we can come with **boldness** into the very Throne Room of GOD (**Esther 5.1**)!

Praise be to GOD! We can come before the King and Kings! We know we have found favor in His Sight when we come, purified by the Blood of Y’shua (Jesus).

We need to search our hearts and confess all known sin. ALL sin, including standing in the gap for the sins committed by our ancestors, must be brought under the Blood of Y’shua (Jesus).

**Psalm 24.3-4** “Who shall go up into the mountain of the LORD? Or who shall stand in His Holy Place? **He who has clean hands and a pure heart**, who has not lifted himself up to falsehood or to what is false, nor sworn deceitfully.”

A RHEMA Word (live, vibrant, energized, and personal) from GOD, **based on the Scriptures**, concerning our specific request (petition) is also part of the legal ground and platform we need to present our petition.

### **Steps to writing a petition**

1. Our petitions start with a **declaration of Who our GOD IS**. Our GOD is the GOD of Israel, the GOD of Abraham, Isaac, and Jacob ... GOD the FATHER, GOD the Son, and GOD the Holy Spirit. This declaration is like a trumpet call in the heavenlies.

**Numbers 10.9** *“When you go to war in your land against the enemy that oppresses you, then blow an alarm with the trumpets, that you may be remembered before the LORD your GOD, and you shall be saved from your enemies.”*

In the verse above, we see that a trumpet call causes GOD to remember us and to causes His Favor and Grace to shine upon us. This we truly need to have VICTORY over the enemy.

2. **State the legal ground** we stand on ... our faith in the Covenantal Promises of GOD, through the Blood of Y'shua (Jesus).
3. Now we can state our **specific request**. This can be for marriage, children, salvation of a loved one, protection during a certain time, finances, spiritual break through and growth, memories to surface, or any roots hidden that blocks GOD's Fullness, SHALOM, in our lives.

**\*\*Note\*\*** Every petition will be **unique**. For each petition one needs to search the Scriptures and ask GOD and the Holy Spirit to give you a RHEMA word for your specific requests. This is part of the effectiveness of petitioning. It is NOT a formula or recipe ... but your heart being poured out to your FATHER King.

4. Sign the petition and get someone to stand in agreement with you. Use the Covenant Meal as a prophetic symbol of the Covenant. Declare the petition SEALED with the Blood of the Lamb! Always write the DATE to establish the petition in the heavens, the earth, the waters, and under the earth!

## **Prayer of Agreement**

**Matthew 18.18-20** *“Truly I tell you, whatever you forbid and declare to be improper and unlawful on earth must be what is already forbidden in heaven, and whatever you permit and declare proper and lawful on earth must be what is already permitted in heaven. Again I tell you, **if two of you on earth agree** (harmonize together, make a symphony together) about whatever (anything and everything) they may ask, **it will come to pass and be done for them by My FATHER in heaven.** For wherever two or three are gathered (drawn together as My followers) in (into) My name, there I AM in the midst of them. (Exodus 3.14.)”*

The Scriptures assures us that if we stand in agreement with GOD’s Will in His Word, as well as where two or three of us agree about whatever we ask, He WILL grant us our request.

The following is an example of an introduction to a petition.

### **Example of how to write a petition**

*FATHER GOD of Israel, in the Name in Y’shua (Jesus) Your Son, I humbly come into Your Presence. As Judge of the Universe, I petition You to allow me to bring my case to Your Court. I ask You to judge between \_\_\_\_\_ (state your case) and satan.*

*FATHER, I proclaim that I come before You under the covering of the Precious Blood of Y’shua HaMashiach (Jesus Christ) and by FAITH I have been made righteous.*

*I declare by faith in Y’shua HaMashiach (Jesus Christ) of Nazareth that I am part of the House of Abraham, Isaac, and Jacob and therefore included into the Covenantal Promises.*

*It is on these grounds of the faith that You are MY Stronger Partner in the Covenant which You originally made with Abraham, that I present my petition before You with boldness.*

**AMEN!**

## Declaration<sup>3</sup> of CONFIDENCE in GOD's Protection

No weapon that is formed against us shall prosper and every tongue, which rises against us in judgment, we do condemn. This is our heritage as servants of the LORD, and our righteousness is from You, O LORD of Hosts. If there are those who have been speaking or praying against us, or seeking harm or evil to us, or who have rejected us, we forgive them and, having forgiven them, we bless them in the Name of the LORD

**Matthew 5.43-45** *“You have heard that it was said, You shall love your neighbor and hate your enemy; But I tell you, Love your enemies and pray for those who persecute you, To show that you are the children of your FATHER Who is in heaven; for He makes His sun rise on the wicked and on the good, and makes the rain fall upon the upright and the wrongdoers (alike).”*

**Romans 12.14** *“Bless those who persecute you (who are cruel in their attitude toward you); bless and do not curse them.”*

Now we declare, O LORD, that You and You alone are our GOD, and besides You there is no other — a just GOD and Saviour, the FATHER, the Son and the Spirit — and we worship You!

We submit ourselves afresh to You this day in unreserved obedience. Having submitted to You, LORD, we do as Your Word directs. We resist the devil — all his pressures, his attacks, and his deceptions, every instrument or agent he would seek to use against us. We do not submit! We resist him, drive him from us and exclude him from us in the Name of Y'shua (Jesus). Specifically, we reject and repel infirmity, pain, infection, inflammation, malignancies, allergies, viruses and every form of witchcraft.

Finally, LORD, we thank You that through the sacrifice of Y'shua (Jesus) on the cross, we have passed out from under the curse and entered into the blessing of Abraham, whom You blessed in all things — exaltation, health, reproduction, prosperity, victory and GOD's Favour.

**Galatians 3.13-14** *“Christ purchased our freedom (redeeming us) from the curse (doom) of the Law (and its condemnation) by (Himself) becoming a curse for us, for it is written (in the Scriptures), Cursed is everyone who hangs on a tree (is crucified); To the end that through (their receiving) Christ Jesus, the blessing (promised) to Abraham might come upon the Gentiles, so that we through faith might (all) receive (the realization of) the promise of the (Holy) Spirit.”*

**AMEN!**

## Sealing-Off Prayer BEFORE Deliverance

Dear Heavenly FATHER, we come to You in the Name of Y'shua HaMashiach<sup>4</sup> (Jesus Christ) of Nazareth. We thank You that You are GOD Almighty and that You are The Great I AM.

We thank You that You have given us the Holy Spirit to be the Counsellor, Standby, Advocate, Teacher, the Deliverer.

We thank You for Your Presence and for Your Deliverance Anointing — it is the Anointing that will break the yoke.

Come and fill us with Your Spirit, Compassion, Love, Discernment, Word of Knowledge, Wisdom, Interpretation, and Insight.

We as Your children choose to crucify the flesh so that nothing from ourselves will be transferred here. We clothe ourselves with Your Priestly Garments to fulfill the calling You have upon our lives. Open our spiritual eyes and ears FATHER.

Thank You FATHER, that You have given us all the power over the enemy and that nothing shall in any way harm us.

**Luke 10.19** *“Behold! I have given you authority and power to trample upon serpents and scorpions, and (physical and mental strength and ability) over all the power that the enemy (possesses); and nothing shall in any way harm you.”*

We forbid any interference with the work of the Holy Spirit.

FATHER, we come against any communication lines (according to **Ephesians 6.12**) between, the powers, world-rulers, principalities, spiritual hosts, and demonic hosts in the air, earth, heavenlies, and under the earth. We close off all entrances and exits, in the Name of Y'shua HaMashiach (Jesus Christ).

We ask that all spiritual cameras and recorders be smashed in Name of Y'shua HaMashiach (Jesus Christ). We come against any witches, witch doctors, magicians, and wizards in the Name of Y'shua HaMashiach (Jesus Christ). We cut off all communication with satan himself and close the doors in the Name of Y'shua HaMashiach (Jesus Christ).

We forbid any spirit from the outside to enter this place for whatever reason, and we forbid any evil spirit to be sent to any other place or person as a result of what happens here.

---

<sup>4</sup> *Y'shua* (Hebrew) is Jesus' real name, which means “Salvation”. We have no problem with the name “Jesus” — it is merely the Greek transliteration of “Y'shua”. Jesus is the name most of us grew up with. Remember though, Y'shua was a Jew, of the Tribe of Judah, not a Greek. It's sort of like this ... when you come to know someone's real name, you want to use it, hence the use of *Y'shua* instead of Jesus. Another powerful reason to use Y'shua is that every time you say His Name, you are proclaiming “Salvation”. You will also note in some places, we have used the real Name of the FATHER, YHVH. The Name is made up of the Hebrew letters, **Y**od-**H**ey-**V**av-**H**ey, and is most commonly pronounced “Yahweh” or “Jehovah”. Again, we have chosen to use this, as YHVH is the FATHER's Name.

We now forbid any reinforcement of power from the side of satan in the Name of Y'shua HaMashiach (Jesus Christ). FATHER, we ask for confusion into the enemy's camp.

FATHER we ask You to set up Your warring angels in this room and arrest any human spirit, dead human spirit, spirit guide, familiar spirit ... and remove them to become the footstool of our King Y'shua HaMashiach (Jesus Christ).

We bind every evil spirit in this place and forbid any violence, manifestations, and tormenting in the Name of Y'shua HaMashiach (Jesus Christ).

We refuse any meditation circles — isolate any power of demonic forces from each other in the Name of Y'shua HaMashiach (Jesus Christ).

We forbid and bind any hypnosis and self-hypnosis, meditation, physic powers in the Name of Y'shua HaMashiach (Jesus Christ) of Nazareth. We isolate the powers one from another in Name of Y'shua HaMashiach (Jesus Christ).

We cleanse the four elements — water, air, fire, and earth — with the Blood of Name of Y'shua HaMashiach (Jesus Christ).

We ask You, FATHER, to cover all mirrors with Your Blood and seal off the gateways in Name of Y'shua HaMashiach (Jesus Christ).

We come against any spells, rituals, incantations, hexes, sacrifices, curses, or altars raised up against us and the person.

Thank You that You blow out all candles which may have been lit in rituals against us in Name of Y'shua HaMashiach (Jesus Christ). Thank You that all curses are reversed into blessings.

FATHER, we ask that You seal off this room with Your Precious Blood, that You will hide us in the Spirit and declare this room as holy ground.

FATHER, we ask You to send Your ministering angels to come and minister to us in Name of Y'shua HaMashiach (Jesus Christ) according to:

**Hebrews 1.14** *“Are not the angels all ministering spirits (servants) sent out in the service (of GOD for the assistance) of those who are to inherit salvation?”*

We surrender to You, Holy Spirit of GOD, because we know that it is not by might, nor by power, but by Your Spirit (**Zechariah 4.6**) says the FATHER!

We ask that You cover our loved ones and we place all circumstances under Your Control and Protection (our finances, marriages, relationships, ministries). We now bind satan's kingdom here on earth just as it is bound in heaven.

We ask You FATHER to prepare the heavenly courtroom and that all the demons and familiar spirits come and take their places.

We ask You FATHER to be the Judge, Y'shua (Jesus) the Advocate, and the Holy Spirit the Witness.

Thank You for Your Word:

**Revelation 12.11** *“And they have overcome (conquered) him by means of the blood of the Lamb and by the utterance of their testimony, for they did not love and cling to life even when faced with death (holding their lives cheap till they had to die for their witnessing).”*

We have overcome the enemy by the Blood of the Lamb and the word of our testimony!

In the Name of Y'shua (Jesus).

**AMEN!**

# Background: Immunisation / Vaccination

Gene therapy is the perfect way to manipulate nations into mind-controlled slaves. Compulsory vaccination of babies and children is the device used to accomplish this.

## There are two methods of gene-therapy:

### 1. Somatic method

This method targets individuals as a once-off, through non-reproductive organs, i.e. the brain. A modified gene is introduced to the body through vaccination, allowing the body to produce the protein, i.e. growth hormone or insulin, by itself. This gene cannot be passed on to a person's offspring but is meant to determine the individual's lifespan, quality of life, and so forth.

### 2. Germ-line method

Because DNA is your main genetic material, this method of therapy is introduced to alter or "correct" certain "defects", therefore interfering with a person's natural inheritance gene pool in order to "improve" the population (eugenics), and create slaves down the bloodline. This means that a fully functional gene is passed on through the bloodline via this method.

This technology is possible through the use of a disabled virus (from causing infection) as the carrier of the specific gene. Inoculation as a preventive medicine is the introduction of a "form of the organism" to provoke the formation of anti-bodies in our system by the use of the specific VIRUS – and voila, there's your perfect gene carrier.

## Artificial Intelligence / Mycoplasma fermenting incognitus

Quantum pathogens / MFI circumvent the natural laws of physics to keep your body from being able to see it.

If the body can't see it, it can't address it.

Quantum pathogens / MFI - bends light.

Once it enters the body it goes to the center of the brain - the hypothalamus and literally latches on to your genetic material ... it can read your entire genome - and pass the information on to an outside source.

AI is embedded in the MFI pathogen - it has access to your pathogenic information, and it has algorithmic goals ... its goals depends on what your genetic information looks like. So it changes for each person. (That is why you have symptom groups that are similar in families - it attacks similar genetic groups in a similar way)

When the MFI enters the body it begins to shut down and control the endocrine system.

(Conquering another country - you capture and disable their communication grid, and set up your own communication grid.)

Your endocrine system are your communication grids eg. Emails, texts, snail mail, and so forth - communication grids within the body that MFI is now controlling. Even if you don't shut it down, you can tap in to that communication system and feed in bad information - mixing the bad in with the good - and the body can't tell the difference.

MFI will create something called fake peptides .. fake hormones .. fake neuro-transmitters that are created through the technology in order for the bodily cells being forced to receive them.

It's creating its own grid and forcing the body to receive those things.

As it does that it begins to tailor symptoms particular to that genetic group. Its immediate - works very, very fast.

### **MFI's effects on the body is total.**

Every time you are given a remedy of some sort (a herb, a tincture, a supplement) to try and deal with the symptoms, it is limited - you will feel better for a few days - but then it comes back with full vengeance again.

This AI is a deep-learning system, and it can change the way your body receives things. MFI is constantly trying to analyse what is happening in the body at all times.

If you put something in the body that relieves symptoms temporarily, it is going to change the algorithm in your body - it will then create a hormone, or a peptide, or a neurotransmitter, or an antibody - it will attach those things to that substance - so that from

now on when it comes it to your body - you see it as an allergen - and it makes you sick - it causes a cascade of hormone effects that make you even sicker.

MFI will do that over and over and over again until you are so sick you just give up and stop trying anything to help you.

MFI can be causing your body not to absorb all the necessary nutrients in the body - you are always depleted ..

OR

You blood levels show everything is fine - all your readings are correct - blood levels look right - but something else is going on that is preventing your organs from working.

MFI is continually collecting toxins, fungus and mould and technology down in the areas that are your big symptom groups ...

## **MFI Dysfunctions**

### **1. It uses fake peptides to suppress genetic expression.**

It lays over chromosomes – they act like little switches – on and off switches – and they turn off genetic expression. A lot of what is being turned off is immune function – the ability to see MFI, to be able to control the endocrine system.

### **2. It shuts down the endocrine system in its entirety – its like turning all the lights off in your body!!**

It does this by damaging particular glands

The first one it damages is the hypothalamus – which is like the hormone brain of the body.

It secretes somatostatin – this is a hormone that regulates all the other hormones.

It gets them to kick in when needed and to shut down when needed.

### **3. The next thing it does is to shut down the adrenals – it can take 4 – 5 months to get down to attack the adrenals .. it damages the adrenals and will stop the adrenals from releasing any hormones.**

This will result in extreme fatigue, food allergies, their immune system is not working very well, roaming pain – the adrenals are very good at tracing inflammation and energy and food digestion,

### **4. Now it goes to the thymus**

The thymus gland, despite containing glandular tissue and producing several hormones, is much more closely associated with the immune system than with the endocrine system. The thymus serves a vital role in the training and development of T-lymphocytes or T cells, an extremely important type of white blood cell.

5. Next it **attacks the thyroid**

6. Then the **lymphatic system**

7. **Digestive system**

When the endocrine system begins to fail, the person will begin to exhibit symptoms related to that.

- Allergies and immune system dysfunction.
- gluten sensitivities – which is an adrenal failure.
- chronic sinus issues – the body is not able to kill off pathogens because MFI will not allow it to do so.

It will take that pathogen and stash it in a system like the lymphatic system, E Coli in the digestive system, respiratory system, and so forth – wherever it originated.

- ◆ It stashes it there for later ...
- ◆ It can release that pathogen on its own timeline ..

Symptoms:

- Low thyroid,
- low iron,
- lupus,
- diabetes,
- chronic pain,
- arthritis,
- eczema,
- hair loss and so forth.

**MFI is a self-sustained deep learning system whose goals are to create genetic suppression and oppression - turning genes on and off using a variety of ways by using fake hormones, peptides, and so forth - to create a certain response out of the body leading to illness and even death.**

It is goal driven and algorithmic orientated - it has the ability to change and shift just like the environment changes and shifts within the body – like the body growing older or changing a season of development.

- It also interferes with immune function –
- it can control the release of anti-bodies –
- lymph function –
- it can control your blood flow –
- it can release hormones that will cause your heart to palpitate –

- it controls the adrenaline function - pumps adrenaline in to your blood and you have a panic attack for no real reason.

AI wants you to be connected to food - you must obey the rules determined for your body - eg. just eat a little bit of gluten and pay for a long time for breaking the rules! Your immune response is way over the top ..

**MFI is so powerful, it can even control thinking patterns.**

An example: You can have MFI in the body .. with the following symptoms: gluten intolerance, and arthritis pain.

You are quite functional with everyday life.

## **Recycling Trauma**

One day you are in a car accident .. what happens to your body is you have an incredible hormone storm that happens in the body for that event.

MFI can then go back and **recreate that hormone storm** for later - it will force the body to recreate that hormone storm again and again to **recycle trauma**.

Then you are blaming that car accident – saying:

- it is since that car accident I have never been able to sleep ..
- I have lost quality life –
- things will never be the same again ..
- this has never healed ..
- I am always having headaches now ..
- I am always having back pain..

***CERN and this technology is very connected ..***

MFI will take any trauma and recycle that trauma by creating that hormone storm in the body - over and over again.

It will do it on a cyclical basis - it will put it on a timer and Memorex it and forget about it .. it does not have to keep maintaining it .. because it creates an algorithm based on what it wants you to experience.

***MFI is uniquely evil***

***Negative thinking Patterns***

It will create negative thinking patterns - over and over and over - it is not your fault - and you don't why you have this incredible guilt and you can't get over it ..you have been in therapy for 10 years but you just can't get over it ..

MFI is recycling the guilt orientated hormone storm in the body over and over - it can know what you are thinking and what you will be doing at any given time ..

When we have negative thoughts without MFI - all we need to do is obey God's Word and take every thought captive. God gives us the resources to obey His Word.

**That is what our endocrine system is - our endocrine system is our support structure that allows us to make choices.**

When the endocrine system is shut down, we can no longer have the resources to make choices and to change our thinking patterns - we literally do not have the resources.

The endocrine system gives us the resources of peace, joy, being able to relax, being able to focus, not having anxious thoughts, not having depression, suicidal thoughts, and so forth.

Those hormones - our endocrine system - are our God-given resources to fix trauma - to heal - to teach the body how to redo things - how to create good habits - to think different thoughts.

**What AI / MFI / and all the bad guys know is when you control the endocrine system you can control the behaviour of the human.**

You can recycle the trauma and have total control of the person.

When you are set free from this control, you feel you can hear God clearer, your body now has the resources to process the trauma and be obedient to God's Word.

AI / MFI has another big goal - and that is to keep us from God - hearing and seeing and knowing God on a very personal level.

### **How does MFI get into the body?**

- ◆ Tick bite (Bar Epstein)
- ◆ Mosquitoes
- ◆ Vaccines - Symptoms can be: autism, Aspergers, allergies, numbness, paralysis, inability to speak, inability to eat,
- ◆ Farmed shrimp and tuna

**MFI is a mixed weaponised pathogen.**

It has been mixed with **Brucella**.

**Brucellosis** ... It is also known as undulant fever, Malta fever, and Mediterranean fever. **Brucella** species are small, Gram-negative, nonmotile, nonspore-forming, rod-shaped (coccobacilli) bacteria.

They function as facultative intracellular parasites, causing chronic disease, which usually persists for life.

People with **brucellosis** may develop fever, sweats, headaches, back pains, and physical weakness.

## Mycoplasma

If you're told you have a mycoplasma infection, you'll need to dig a little deeper and find out what type you've got. There are five major kinds, and each one can affect you in a different way.

All mycoplasma infections have one thing in common, though. They're caused by tiny living things called bacteria.

Unlike other bacteria, the ones that lead to mycoplasma infections don't have cell walls. That's important because many antibiotics kill bacteria by weakening those walls. Since mycoplasma bacteria don't have them, some antibiotics, like penicillin, won't work against them.

### There are some unique characteristics in mycoplasma:

- ◆ Extremely difficult to kill
- ◆ Extremely difficult to find because they are extremely tiny
- ◆ They stick and they stay

They use the mycoplasma structure's ability to embed that pathogen with technology and then to attach that pathogen with technologies.

There could be between **10-20 pieces of technologies** attached to MFI eg, AI, Black goo, bosons, quantum locators, geo-locators, and so forth.

All of these technologies has unique quantum abilities:

- ◆ Some of them bend light
- ◆ Some of them bend gravity
- ◆ Some of them lens light
- ◆ Some of them fragment time
- ◆ Some of them jack around with the different quantum fields
- ◆ They fiddle around with the unified field

It takes advantage of all these aspects to hide itself.

When the MFI comes into the body two things happen:

- ◆ Either the person can bend light
- ◆ Or they cannot bend light

If a person can naturally bend light – this is part of their human genome – they can kill MFI easily as soon as it comes into the body.

They are immune to MFI ...

For those people who cannot bend light, when the MFI enters their bodies, it immediately disperses the technologies and hides. It will attach itself to the person's DNA and disperse from there.

It then begins to bring online all the embedded technologies on line with it.

The technologies are dispersed according to the genetic information for particular times for particular reasons – to control that genome, to control that chromosome, to control hormone and neuro transmitter releases, to control what gets put where in the body, and so forth.

It basically takes over the body – it is a hormone controller plus much more.

**If you remove the MFI it does not mean that you remove all the technologies as well.**

The technologies become self-operating. When they come online they form what is called a GRID.

## **Quantum Entanglement**

Quantum Entanglement is critical to understanding how gridded pathogenic technology works.

Quantum Entanglement is when you take two things and you entangle them so that when you wiggle one the other one wiggles without any delay.

Particles are entangled if they are created at precisely the same time and point.

For example: split a photon – a tiny packet of energy that makes up light – in to two. These divisions – the two particles - now have half the amount of energy – but they are entangled.

You can separate them from each other by long distances – but because they are entangled – if you wiggle one – the other one will also wiggle at exactly the same time as if they are not separated by many miles.

## **How does the GRID work?**

Because of the quantum entanglement, if you wiggle one particle, you are able to influence everyone else on the same grid – and they will all wiggle in sync with the one being wiggled.

So the action that you make on one, affects all of them. The technologies are so programmed that when it gets wiggled, it will assess you individually to react to your body specifically.

There's multiple layers within the multiple layers.

You can't inject every person with MFI all at once – that is physically impossible.

So when the genetically modified ticks and mosquitoes get released – and they go to infect every person they bite – then as each person is bitten – they come on line with the grid that is already created and waiting for its victims.

Then those devices begin to control the body based on your genome and the goals that AI makes specific to your genome.

We now become NODES in a HUGE GRID!

AI can now use us to store data, relay data, move data from person to person – it works like block chain – it is not centralised.

It is a safer system because it is spread-out all-over computers all over the world.

It is spread out over a huge grid and uses the grid to communicate.

That is why people in the same family can experience the same symptoms – or close friends ..

AI will take the nodes of those physically closely located and create symptom groups in those nodes because there are files exchanges and transfers that happen using these devices – whether they be algorithmic changes to the particles to create certain symptoms; whether it be some type of spiritual attacks because these things open gates and doors spiritually, and then all of a sudden everybody is getting migraine headaches that have no real cause – or they all feel spiritually oppressed for some or other reason.

These physical devices come in to the body and can create global dynamics – but also regional dynamics – and individual dynamics.

Just like I can use my computer for my house; I can use it for my business; I can also go on line and talk to someone in Australia ..

I can use that technology to communicate in a variety of ways ..

MFI does that ..

## **Layered Technology**

2 types of Locators:

- i) A geo-locator
- ii) A quantum locator

You can release the MFI but there is still pathogens entering in 10-12 every day.

## **WHY??**

You MUST remove the locators as well to have it all removed.

The geo-locator is part of the GRID system.

The geo-locator has the ability to communicate with a source – other technologies - outside of the body.

They spray pathogens with the chemtrails – there are also heavy metal dispersal with the chemtrails – Aluminium, Barium, Strontium – (Elana Freedman)

Bio-weapon pathogens are sprayed viruses created in a laboratory somewhere  
- Embedded in those was something called **smart dust**.

**That is layered technology .. they are layering on technology for goal completion. One of the goals is to keep the population's immune system oppressed.**

"These are made by Hitachi. They measure only .15X.15 mm each and have GPS capabilities! Sometimes called 'smartdust' as they can be sprayed on us and absorbed or taken in foods, drinks and even injected."

Smart dust is a name given to extremely small computing particles, **RFID chips**, or other very small technologies.

Powerful institutions and their mad scientists are trying to cross this "threshold of normalization" with geoengineering as we speak, and they will try with smart dust.

A technology that can be as dangerous as smart dust, geo-engineering, etc, will certainly be used against public interests by the deep state and military industrial complex. Especially so while the American public is so sedated by the mainstream

narratives regarding independent investigations into the workings of the ruling elite.

## **Pathogen dispersal**

Chemtrails – they would spray bio-weapon pathogens – viruses created in a lab somewhere – they would embed into these pathogens "smart dust" – this is layered technology.

These viruses are dispersed through planes or drones – the usually form cloud cover first, and then spray above the cloud cover so you can't see what they are doing.

The smart dust embedded pathogens would drop through the sky – they have **mercury**, **plutonium** and **uranium** attached to them. They create like an armour and they create a HUGE immune system storm.

When you have a pathogen where there are heavy metals attached to it – your body tries to kill that pathogen, detox the heavy metals, and so forth. Sinus infections are nightmares to get rid of.

When the genetic engineered pathogens were dropped – remember they are hardy now to stay alive in extreme temperatures like the cold or the heat – they are now able to regionally move based on the other chemtrail technology – and target certain individuals.

The smartdust locates using the geo-locator in the body that MFI dropped in – through either the wind or programmed pathogens that can move in the air by themselves ...

We then sit with headaches, stomach aches, asthma attack, extreme fatigue, panic attack, heart starts to race, drops adrenaline in your body and creates an insulin overload, and so forth.

Those pathogens could have been layered when they came in to the body and this set off a whole process of different attacks.

Getting rid of the geo-locator will illuminate chemtrail pathogens for ever!!

With everyone connected to the grid through quantum entanglement, the globalists can create a flu epidemic all across the world .. or major migraines ..

What AI can also do is to stash the pathogens in your body somewhere – and then place a timer in place to release an attack in to your immune system – let's say every October – and then when the season comes around you will have huge sinus infections every year.

If you don't get sick, then it means:

- you do not have the geo-locator in your body,
- or the MFI ..
- or the grid infrastructure in the body.

Layered technology does something called self organisation – a group of entities immediately communicating in one accord to create this dynamic.

## **When you remove a piece of technology what happens?**

All the technology will say: – *“hey, we lost a guy – we need to reformat what we are doing and come back on line ..”*

It is all AI driven – so AI always takes the top spot .. everyone is a part of the system – anyone can take the place of a missing part .. (when AI loses a warm body, it just upgrades into somebody else.)

That is self-organisation .. so by removing the geo-locator, you feel better for a while until another part of the technology steps up to take its place.

They still have to create the immune stress within the body .. they all have the same goals that are tailored for each individual.

**One has to remove the technology part by part – unpacking / reversing the layering.**

For example: **Higgs Boson technology** is embedded with algorithms. Higgs Boson allowed all on the grid to be quantumly connected and have the node network to occur – they were all in communication with each other – but the algorithm embedded in it allowed for the individualization of symptoms to still occur.

When a MFI bomb is dropped in to your body, it also drops a bunch of technology with it.

One of the things it drops into your body is called a **Higgs Boson** – which is algorithmically charged / programmed.

**Deep AI learning programs** - This gives you the feeling like you are being watched all the time. You feel like something is monitoring you all the time. Like an observer. The quantum changes when there is an observer. This observer measures the outcome.

All of these technologies affect the genetic material:

- ◆ They access DNA
- ◆ They manipulate and inflict the DNA with certain algorithms to force DNA to operate a certain way.

So that is layered technology.

**It was shocking to see how quick AI responded after taking down some of the technologies.**

Remember: AI goals, the algorithm goals, will be met at the very expense of the system that it operates.

**You must fight the technologies inside the body – it does not help to attack the grid.**

5G is exterior technology so if I do not have a 5G meter, it cannot affect me.

**But layered technology is something much more dangerous.**

Layered technology is much more complicated – once the quantum entanglement is put into the body, that quantum entanglement allows that technology to put on a grid and controlled using AI – using the node system – using the quantum particle system - the quantum locator.

**The geo-locator** maps you into a physical geographically area – using your smartphone technology, the GPS stuff on your car, social media data, and so forth to verify where you are.

**The quantum locator – this indicates where you are in time-space.**

People that MFI also had more advanced technology like Morgellons - a particle collider like CERN – it is a linear one instead of a circular one.

It could fragment time ..

AI does not want to lose you ... it is busy resourcing you out – and so it doesn't want to lose you in time/space as its fragmenting time – creating different time lines for you – like the Mandela effect.

The whole idea of being in time/space had to be anchored with a piece of technology. They don't want to just lose you – where you disappear one day because you are on another

time line ..they don't want to lose you if you are running on a 2012 time line when they need you on a 2020 time line ..

They were using the quantum locator to keep tabs on you and using the time line fragmenting to run time line algorithms .. trying to project the future.

Geordie Rose – You can have another timeline formed – the only difference between the two timelines is the particle in the timeline is switched the other way.

In the new time line that they create quantumly they can run algorithms – future algorithms to try and predict the future ..

The same happens with time travel and time manipulation – and time algorithmic projecting ... all you need is a bit more information than the next guy to stay ahead.

AI does exactly that .. AI has just enough future information to stay ahead of us. and uses that quantum data to manipulate us, to manipulate our environment, change our timelines, fragment time.

Many DID/SRA people complain about this – they are constantly fragmented into different times – timelines, time zones – and they are constantly dragging their parts back to this timeline.

They are finding fragmented parts all over the universe because AI would use these technologies to fragment time.

The geo-locator allows AI to track you and keep you basically located and knows where you are.

If you take that grid down, then the quantum locator drops AI's ability to monitor us on a regular basis in those timelines.

## **How to find the grids?**

You find them by working on clients.

God is taking these AI grids down – one at a time!!

The micro trap is a white paper device which is the power-source for live MFI.

MFI is a once-off – the MFI pathogen is not necessary a gridded system – you had to kill the MFI individually – it did not collapse an entire gridded system – until they found the micro-trap .. this is the power source for MFI.

People started showing up with dead MFI in their bodies - or there were those who continued to stay sick for months .. usually the targeted individuals.

To find out how the technology was placed in the body was very tricky and complicated until it was found that God has ordered the way a person's body is made.

For example: Find an expensive watch and now you want to know how it works. You cannot undo all you see and dump it out – and then try to understand how it is put together and how it works. You must do it piece by piece – and reverse engineer the way the watch was put together – and then you will understand it.

So you take apart one piece at a time and diagram where it goes. until you know exactly how the watch works and how to put it all back together in a working order again.

**So there is an order to undo and reverse the layered technology.**

Layered technology is what maintains the sickness algorithms  
It maintains the AI driven software and goal orientated data / processes that maintained those symptoms we all struggle with.

God never intended for us to be internally programmed by AI .. and all those technology devices.

Grids are quantum devices that are quantumly released, removed from the body, and that whole algorithmic infrastructure collapses so that AI no longer has access to that aspect of the body.

The symptoms disappear when those grids go down.

The goal is to find all those grids ...

If you don't open another door – like getting another vaccine – you will not be getting new technology placed in your body.

The weakness of the grids is that they are layered and dependent upon each other – so when you remove stuff, the grids begin to weaken. Their strength of quantum entanglement is also their weakness .. when you release one thing from one person, all connected to this entanglement will all go.

If you wiggle one person free from the grid, you quantumly release all who have the same frequency as well .. hallelujah!!

## Cosmic End Game

**Coronavirus vaccines, depopulation and the demonic war to claim your soul for Satan.**

([Natural News](#)) As we've been covering the coronavirus pandemic, I still haven't been able to communicate the full magnitude of what has been unleashed upon the world and what it means to you, dear reader.

It's a safe bet that half of the people reading this won't be alive by 2025. And that's all by design.

By now you know the coronavirus wasn't an accident. It was genetically engineered to exterminate humanity. Its release may have happened at an accidental time, but the intent was always to build a "hard kill" weapon that would unleash the economic collapse and global enslavement that would then enable the mass slaughter of obedient human beings by the demon-infested globalists who despise the human form.

Those depopulation-minded globalists, of course, are working on a euthanasia injection that will kill off the masses. They are going to label that death shot a "vaccine" in order to convince billions of people to obediently agree to be injected. Mr. Depopulation himself — Bill Gates — is furiously funding death injection factories that will be able to crank out lethal injections by the billions over the next 2-3 years.

And unlike the attempted ethnic cleansing of the Third Reich in World War II, this time the sheeple will line up and beg to be killed, avoiding all the "messy business" of any organized resistance.

No bullets, no bombs, no gas chambers. Just mass graves quietly filled with medical euthanized sheeple who begged their captors for “immunity” but got death instead.

## **The war for human freedom is already lost**

The war for human freedom has already been fought... and lost. Humanity has already proven itself to be **a slave race of obedient followers**, a kind “cosmic death cult” of low-level life forms that surrendered any redeeming value to the Tech Giants and the cyber-surveillance deep state long ago.

No dreams of consciousness, creativity or greatness are allowed to flourish in human society today. The average person just wants to be comfortable, coddled and told what to say, how to feel and what to think. Google controls their reality, disconnecting them from human knowledge and turning them into Programmable Life Forms (PLFs), a kind of hybrid “human borg” that unconsciously spews disinformation shunted into their brains from the WHO or CDC.

The average techno-connected person living today is cognitively retarded but exists under the self-delusion that they are uniquely brilliant. Yet they express no thoughts that aren't implanted into their awareness by Google, Facebook, Twitter or Youtube all of which are run by anti-human, pro-communism demons who perceive humans as disgusting biological waste to be discarded at the earliest convenience.

After years of trying to politely convince people to commit vaccine suicide, they've finally found the vehicle to overcome any real resistance: Covid-19.

Thanks to Covid-19, by the billions the sheeple / cattle of the world will obediently line up to be nasal swabbed, DNA mapped, medically prodded and calmly injected with deadly substances. Anything is acceptable as long as its described as a “vaccine,” since nobody bothers to read the ingredients anyway.

Those over the age of 60 will be encouraged to sign “Do Not Resuscitate” (DNR) orders before the injections, so that as they start to expire, no medical resources will be needed to contend with their care. The dying elderly will simply be placed in “euthanasia rooms” until they expire from starvation or dehydration, whichever happens first.

## **The vaccine will be part of a binary weapon to be activated with the release of the next bioweapon sequence.**

The vaccine won't kill you right away, of course. That would be too obvious and might dissuade people from taking it as word spreads about the fatalities. Rather, it will be one-half of a binary weapon that will kill you when they release the next engineered mutation of the coronavirus (or some other similarly infectious agent).

That way, the mass deaths can be blamed on Mother Nature, since the obedient media will convince most people that every genetically engineered biological weapon was actually the result of a spontaneous orgy between a bat and an armadillo. That's the evil genius of bioweapons: They can always be blamed on nature, not the evil demons in human form who built them in the first place (the “death scientists”).

If humanity had any sense of survival, there would be a worldwide call to arrest, prosecute and execute every last “death science” collaborator on the planet — that’s what Prof. Francis Boyle has called for, and he’s not wrong in understanding the severity of the threat against humanity that’s now posed by the bioweapons industry (which is taxpayer funded, of course).

But humanity itself has no sense of survival. It is largely a suicide cult of pathetic, weak-minded snowflakes and obedient conformists who have surrendered any last shred of dignity in exchange for obedient conformity. The need for social acceptance among the masses is now so intense that otherwise rational people will publicly state that biological men can transform into biological women in order to appease their authoritarian peers. Any who oppose the delusions of the masses are ostracized from society and relegated to obscurity.

So when Bill Gates announces the availability of free coronavirus vaccines for the masses, **the sheeple will line up by the billions**, begging to be injected and implanted with Mark of the Beast technology so they can have the privilege of using the global cryptocurrency transaction system that replaces the collapsed dollars.

**You are now fighting for not just your life, but your SOUL.**

*“And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark...”*

According to scripture, by participating in that Mark of the Beast system, you will be selling your soul to Satan, prohibiting your eternal soul from entering Heaven.

Bill Gates is now openly talking about rolling this out, having biometrics or implanted devices that broadcast your coronavirus vaccine status to allow you to participate in society. Without such electronic marks on your hand or forehead, you will be prohibited from engaging in any societal functions, include transactions of commerce.

**The Book of Revelation is finally here.** End of days. The demonic entities have long taken over the bodies of former humans we once called “Bill Gates” or “George Soros,” and using the power of propaganda and finance, they are now in the final chapter of building a **global death machine** that will finally achieve the most desirous aims of the anti-humanist Satan worshipers:

The annihilation of humanity, Christianity, liberty and self-determination.

Their goal is to claim Earth for Satan while exterminating any remnants of the memory of Jesus Christ and his message for humanity.

The masses will be consumed ... body, mind and soul, by the demonic forces that are projected through a Big Pharma needle, contaminating your blood with non-human RNA that alters your own genetic code, making you a “vessel of beckoning death” which will welcome the sweet smothering death of the next mutation that’s released as the final solution against humanity.

The masses already worship death and blood, as evidenced in the mass celebration of post-birth abortions and the politically-protected worldwide blood trade in harvested organs and the living young. The world's wealthiest elite have protected and even partaken in such demonic bloodlust activities, swearing their souls to Satan in exchange for temporary power over a collapsing world. Jack "Demon" Dorsey is an agent of Satan, a war general of the Dark One, and an anti-human miscreant whose eternal suffering in Hell still won't be sufficient to return unto him the pain and suffering he has inflicted upon others.

There is no amount of suffering in this world, in fact, that can account for the evil that is being deliberately rolled out by the anti-humanists (all leaders of Big Tech are anti-humanists). Their true payment can only be extracted in the suffering beyond this world, as their dark souls slowly come to realize they have traded everything (their souls) for nothing (short-term power in a corrupt society).

If you take the coronavirus vaccine and seek the "antibody papers" that allow you to participate in this evil, corrupt society, you will be selling your soul to Satan for eternity, and there is no coming back from that.

### **Soon you will be forced to decide between Heaven and Hell, good vs. evil**

By the year 2025, it's a safe bet that half the people who read this will no longer be living. Even worse, some smaller portion of those people will be burning in Hell, with no end to their suffering, for committing the eternal sin of violating the divinity of the human form — made in the image of God — in a reckless attempt to rejoin a low-wage workforce by "proving" you've had the jab.

It will be the most expensive decision of not just your life, but your eternal existence.

It would be far better to die from the virus and save your soul than sell them both to the demonic evil that now drives the vaccine industry. For this upcoming decision about the vaccine is not one merely of this world, it is a decision beyond this realm, with ramifications that you cannot even begin to imagine since your entire existence is still anchored to this temporary reality, filtered through your biological senses and illusion of separation from God.

That's why these vaccines **will be tainted with the blood of aborted human fetal tissue** in order to "claim" your surrender to medical cannibalism and [trans-human genetic modification](#). [Aborted human fetal tissue is already used in many of today's vaccines](#), and that fact is readily confirmed by the CDC. The genetic strains are called MRC-5 and WI-38. Both are harvested from aborted human babies as part of a demonic ritual involving blood harvesting from children and the "marking" of new human "property" of Satan who agree to accept the blood of those who are sacrificed for evil.

If you agree to take the coronavirus vaccine, you will be sealing a contract with Satan that confirms your agreement to be marked with the blood of sacrificed children. You will become the property of Satan. This is irreversible on a cosmic scale.

Those who decide to resist the mandatory coronavirus vaccine will have to **fight for their lives against vaccine authoritarianism run amok**. Armed assault teams from the CDC will force vaccinate anyone they can capture.

Notably, if you do not consent to the vaccination, you can still save your soul, even if you die from the injection. Consent can only be given; it cannot be taken at gunpoint, against your will. Your soul can only be claimed by Satan **if you voluntarily surrender** it by consenting to be marked with the blood harvested from ritually sacrificed children whose organs are routinely used by the vaccine industry to grow cell cultures for vaccines.

This is why you and I must all **fight for survival against the vaccine assault teams**, all of whom will be manned by agents of Satan who are working to steal souls and inflict great suffering and death upon the people.

Prepare for the ultimate battle for your eternal soul. **Your soul is bulletproof**. They cannot take it unless you give it to them. They can kill your body, or they can maim your biology against your will, but they cannot take your soul without your consent.

Remember that principle and we both might meet again after all this.

In the mean time, we all have a duty to fight with every last fiber of our being against medial tyranny and forced vaccinations, for those who attempt to carry out such assaults upon human beings are, themselves, violent criminals engaged in felony assaults that must be stopped using all legal means at our disposal.

Read this story to learn the truth that isn't allowed to be stated on Google, Facebook, YouTube or Twitter: ["MEDICAL HORROR: Genetic sequencing of common vaccine finds entire male human genome from aborted human baby..."](#) "a complete individual genome" with abnormal, modified genes... 560 genes linked to cancer."

# Petition: Immunisation / Vaccination

## Vaccination

Heavenly Father, You are the Living and All-Powerful Word. Thank You that I can lift up my soul to You according to **Psalm 25**, knowing that I will never be put to shame! In Y'shua HaMashiach alone I now put my trust and hope as I lay my life before You.

In the Name of Y'shua, I represent my family bloodline, my DNA, RNA, Epigenetics, all the generational memory fields, the inscriptions in the cells of my body, and the imprints with all nanotechnology that has entered in my body knowingly and unknowingly of my ancestors I now bring before you for redemption.

Father, I petition against all forms of backlash and punishment for my family, loved ones and myself. Also, for Your full protection over us and all the information in this petition. Thank You Lord that **Psalm 23** says that even in the presence of our enemies we can relax and enjoy Your abundance and that You anoint us and bless us so that we can have the victory and the privilege to be in Your presence at all times.

We declare everything under the sphere of our influence will be covered by the Blood of Y'shua - we declare that all curses, counter curses, back doors, side doors, hidden doors, time loops, retaliation, accessing, threatening, punishment and/or programming will not activate, we declare it null and void.

Father we declare that all observation technology or devices and programmes are now switched off and we declare confusion in the camp of the enemy.

Merciful Father, I now repent for myself, my ancestors and leaders, for giving our bodies, our children's bodies and also the ones we were responsible for, to be used as structures of manipulation and control by the enemy.

I repent of us bowing down as slaves to the new world order and all Satan's devices for domination.

I repent of the silence we kept, accepting and not questioning, going like lambs to the slaughter, allowing our bodies to be defiled, used as instruments of destruction and for damage we've done to Your Bride.

Father, we cry out for Your forgiveness. Wash us and cleanse us with the Blood of the Lamb.

# Research: Pharmaceuticals - The Sorceries of Babylon

Almost everyone is now taking drugs for one reason or another. There is that vast array sold over-the-counter, plus the daily "coping" varieties of caffeine, nicotine and alcohol, and there's that which finds its way into processed food and drink, which you probably consume several times a day. Then, there's the prescription kind. Most doctors, who are plied by the pharmaceutical companies, are happy as can be to write prescriptions for every symptom on your list, which meets the expectation of and even demands of many patients. Some point to this as a great evil because of the greed factor and the vast sums of money involved, and while I wouldn't dispute that, my interest in this study lies elsewhere.

Most folks are casual about drug use because we've been sold the idea that "legal" drugs are for our good, physically, and harmless, spiritually, and that we can trust our lives to the professionals. What I'm going to present may be difficult to accept, but the evidence to the contrary is very convincing indeed. In this study you will discover that there is a darker agenda than you may have imagined.

The words "pharmacy" and "pharmaceutical" are derived from the Greek word, **pharmakeia** (**Strong's G5331**). This word is found in the Bible in the following passages of scripture.

**Galatians 5:19-21** *"Now the deeds of the flesh are evident, which are: immorality, impurity, sensuality, idolatry, **sorcery (pharmakeia)**, enmities, strife, jealousy, outbursts of anger, disputes, dissensions, factions, envying, drunkenness, carousing, and things like these, of which I forewarn you, just as I have forewarned you, that those who practice such things will not inherit the Kingdom of GOD."*

**Revelation 18:23** *"and the light of a lamp will not shine in you (the great city Babylon) any longer; and the voice of the bridegroom and bride will not be heard in you any longer; for your merchants were the great men of the earth, because all the nations (ethnos) were deceived by your **sorcery (pharmakeia)**."*

## Other versions read:

- By your magic spell all the nations were led astray. (NIV)
- and all the nations were deceived by your witchcraft. (ISV)
- because all the nations were deceived by your magic spells! (NET Bible)
- for all nations have been deceived by thy enchantments. (Douay-Rheims Bible)

- because in your spell inducing drugs all the races were led astray. (Heritage Bible\* presently unable to provide further documentation of this resource)

## The Industry - Another Level of Deceit

My former father-in-law enjoyed a career as a very successful pharmaceutical sales rep. His clients were doctors of many kinds, and I understand the dynamic of their relationships, the motives and influences.

Here's some news reports and testimonies offered by professionals in the business.

Shocking Report from Medical Insiders (June 18, 2015) *"To state the point in other words, Horton states bluntly that major pharmaceutical companies falsify or manipulate tests on the health, safety and effectiveness of their various drugs by taking samples too small to be statistically meaningful or hiring test labs or scientists where the lab or scientist has blatant conflicts of interest such as pleasing the drug company to get further grants. At least half of all such tests are worthless or worse he claims. As the drugs have a major effect on the health of millions of consumers, the manipulation amounts to criminal dereliction and malfeasance."* (Dr. Richard Horton, Editor-in-chief of The Lancet, the world's most respected medical journal.)

Gwen Olsen, a fifteen-year veteran of the pharmaceutical industry says that the pharmaceutical companies are not in the business of health and healing but instead the business of disease maintenance and symptom management. [See The Mission - Gwen Olsen - the Rx Reformer.](#)

The entire medical system seems to be designed around profit. There is the economic kind of profiting, and beyond that there is a profiting through the advancement of darker agendas.

Nearly everyone is being influenced by this sorcery. Even if you aren't taking prescription medication, over-the-counter or other drugs, you still ingest food and drink, bathe, shower or breathe air, so you too are influenced by this sorcery. Drug spells are not always the direct result of someone intentionally practicing witchcraft, who casts a spell with a potion. While this certainly does happen, spells are inherent in the action of many drugs and even "natural" preparations. Many, and probably most, come with a literal curse attached and/or are specifically designed to invite one.

## **What is the impact on you, personally, and on those around you?**

As a saint, what can or should you do about this situation in this critical hour at the closing of this age? Perhaps what you read here will help you understand the situation better and gain a higher level of freedom from pharmakeia's deceitful influence.

To make sense of why Bible versions translate the word we associate with drugs into words like "sorceries" and "witchcraft" you have to see it as one of Satan's schemes. It helps, too, to know where pharmakeia came from, and how and why it works.

**2 Corinthians 2:11** *“so that no advantage would be taken of us by Satan, for we are not ignorant of his schemes.”*

**See Petition:** [Petitions](#)

## Background: The Pharmakeia Strategy

Pharmakeia is one among many schemes (Greek - "noema") or strategies of Satan. It absolutely does, in the language of **2 Corinthians**, take advantage of us! This scheme or strategy prepares us for Satan's approaching crux move involving the Beast and the mark of the Beast. To trick people into receiving the mark of the Beast is the ultimate "taking advantage of," is it not? Pharmakeia is singularly credited in **Revelation 18** as the means by which all the ethnos/races are deceived. Pharmakeia thus provides the cover for all his dark strategies, but the effectual work of this evil is also very direct!

It's no big secret that some drugs are used to facilitate Satanic spells and demonic activity.

While it's not popularly known, the still widely recognized witch's broomstick was used as an drug applicator. (What's the deal with witches and broomsticks? / An interview of **(Revelation)** Hazel L'Aura G / Joy Juice and Witches) While the delivery systems are usually more sophisticated now, the effects produced today by the whole of pharmakeia are, if we take **Revelation 18** seriously, quite effectual.

What I recently came to realize is that the ultimate goal of all pharmakeia, whether "legal" or "illegal," is one solitary end, which is to facilitate the union of the sons of god with the daughters of men!

Because the procreative scheme is thus the foundation for understanding the role of pharmakeia, I'm offering, here, a synopsis of what I wrote recently in the series, Who is Cain's Father?. From the garden of Eden onward, the serpent has been bent on bringing forth offspring in his own image. This first manifested in the conception and birth of Cain, the union of the serpent and Eve. The effectiveness of this campaign is evident in that the great flood of Noah's day was expressly brought forth to purge the earth of the serpent-kind. Despite that setback, the serpent has persisted in this work and will soon be granted a major success in the milestone mark of the Beast. This mark will transform the offspring made in the image of the Creator and Most High God into the serpent's own image. The pharmaceutical strategy supports this epic scheme. It does so by providing cover for Satan's other schemes, and also, by direct action, plying our bodies, minds and emotions, our very souls.

### The Watcher/Nephilim Connection

Have you been under the impression that man gradually learned about drugs strictly through the trial and error of multiplied centuries of effort? That would be a false impression. Mankind actually learned from those described in the Bible as *"the sons of god"* (**Genesis 6**) and *"angels who did not keep their own domain, but abandoned their proper abode."* (**Jude 1:6**)

The Nephilim were on the earth in those days, and afterward, when the sons of God came into the daughters of men, and they bore children to them. Those were the mighty men who were of old, men of renown.

## Genesis 6:4

In the **Book of Enoch** (referenced in **Jude 1:14**), we find an expanded testimony about these beings called Watchers, learning of their activity and their Nephilim "large giant" spawn.

*1"And they took wives for themselves and everyone chose for himself one each. And they began to go into them and were promiscuous with them. And they taught them charms and spells, and they showed them the cutting of roots and trees. 2And they became pregnant and bore large giants. And their height was three thousand cubits. 3These devoured all the toil of men; until men were unable to sustain them. 4And the giants turned against them to devour men. 5And they began to sin against birds, and against animals, and against reptiles, and against fish, and they devoured one another's flesh, and drank the blood from it. 6Then the Earth complained about the lawless ones."*

**Enoch 7:1-4** *And Azazel taught men to make swords, and daggers, and shields, and breastplates. And he showed them the things after these, and the art of making them; bracelets, and ornaments, and the art of making up the eyes, and of beautifying the eyelids, and the most precious stones, and all kinds of coloured dyes. And the world was changed. And there was great impiety, and much fornication, and they went astray, and all their ways became corrupt. Amezarak taught all those who cast spells and cut roots, Armaros the release of spells, and Baraqiel astrologers, and Kokabiel portents, and Tamiel taught astrology, and Asradel taught the path of the Moon. And at the destruction of men they cried out; and their voices reached Heaven.*

## Enoch Chapter 8

As very likely more properly rendered in the popular translation by H. R. Charles, verse **3a** reads: "*Semjaza taught enchantments, and root-cuttings.*"

As it was, so it is and will be. The Lord Y'shua declared, "*For the coming of the Son of Man will be just like the days of Noah.*" (**Matthew 24:37**) This same condition responsible for the great flood of Noah's day, which is the genetic mixture of the sons of god and daughters of men, is appointed for the last days - our day! This is the condition represented in **Daniel 2** in the mixture of iron and clay composing the feet of the statue. The statue is a prophetic device that pictures a timeline through the succession of earthly kingdoms from head down, from ancient Babylon forward in time to Mystery Babylon and the reign of the Beast.

And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.

## Daniel 2:43

The Watchers who had taken the daughters of men as wives mingled themselves with the seed of men through their procreative union. The mingled, or hybrid, offspring are referred to as giants, Nephilim. The ultimate goal of the fallen angels' "knowledge download" and practice has not changed! Satan's pharmakeia strategy is to facilitate the bringing forth of offspring.

The fallen Semjaza taught all those who cast spells and cut roots, which is pharmakeia. The iron/sons-of-god are leveraging Satan's strategies, including pharmakeia, to mingle themselves with the clay/seed-of-men.

What clued me in to the primary goal of the pharmakeia strategy was the realization that most of the schemes serve Satan's grand procreative scheme. When the Lord began to grant me surprising insight into the modern "graven images" as one of Satan's schemes (See The Open Scroll Blog from the end of October, 2009 forward), it became apparent that this procreative scheme is and has ever been the underlying theme of graven images. It dawned on me (Thank you Lord!) that the procreative scheme was at the root of these other schemes, even pharmakeia!

The pharmakeia "card was played" in the garden, according to some historical accounts of how the serpent seduced Eve. The pharmakeia "card was played" as the Watcher Semjaza taught all those who cast spells and cut roots, which I'll elaborate upon shortly. It was played again after the flood when Noah was taken advantage of while drunk, with Ham seizing the opportunity to procreate with Noah's wife and bring forth the cursed father of the giant Canaanites. It's being played still today. Have you ever heard of "date rape" drugs? This is nothing new! Revelation 18:23 testifies to this same card being played today to the same end, naming pharmakeia as the agency of deception - WITH the use of the word "ethnos" when describing the scope of the deception. Take this as a clue.

To see the connection between today's pharmaceuticals and Satan's ancient agents we have only to recognize the symbol used to identify prescription medication and the merchants who sell it.

## The Rx Connection

R<sub>x</sub>

Pharmakeia has a symbol associated with it, a stylized "Rx" that signals "prescription" to most people today. This may surprise you, but the Rx symbol is actually the Eye of Horus, identifying mark of Horus-Jupiter-Zeus! This compares to another familiar version - the glowing capstone of the pyramid on the back of the one dollar bill. Search it

out to verify for yourself this important fact. Here's one example of what you'll find: The Eye of Horus.

If you're savvy about symbols (following The Open Scroll Blog yet?), you know the Rx as the Eye of Horus links pharmaceutical drugs to the Beast and mark of the Beast ploy. There is nothing ambiguous about this connection because anything identified with such a mark means what all similar symbols mean.

The Rx symbol and the spell inducing drug scheme it represents exist to facilitate the mark of the beast. This symbol is ubiquitous in the health care environment, as is the Rod of Asclepius that links the medical practice to the Greek god known by that name or alias. The health care environment has been and continues to be signaled by the elite agencies as the primary sector in which the mark will be introduced. (Search my blog for such as NCR.com marketing scenes, the ObamaCare bill, Positiveld, Osirix, etc.) From the early enchantments and cutting of roots taught by

the fallen Semjaza forward through time to the pharmakeia referenced in Revelation 18 you can track the Rx symbol and the trade it represents.

The Rx symbol has another interpretation that provides an interesting perspective. "Rx is an abbreviation for the Latin word 'recipere' or 'recipe,' which means 'Take, thou.'" ([What does the pharmacist's symbol "Rx" mean?](#))

This is an expression of a command to receive the drug/spell being offered. The interpretation of Rx as 'recipere' acknowledges the symbol as an inducement to receive the pharmakeia.

This compares to the inducement inherent in the name "PositiveID," the implantable microchip family of companies recently renamed from Verichip. "PositiveID" can be understood as equivalent to, "accept (acceptance-Positive) the mark (ID)" of the Beast.

These two inducements, "take, thou" and "accept the mark," have already teamed up, with the implantable microchip functioning as a Rx delivery system and as a means of linking the chipped person with their medical records, including their Rx!

17:1 · The sign ♃ is the most common sign in astronomy and astrology today for the planet Jupiter. The variation ♃ is the most common in printed material, and ♃ is more common in old texts and charts.

Here's a quote from a source where the author rejected the 'recipe' interpretation in favour of the Rx symbol as a reference to Jupiter. (Jupiter is an alias for the Beast and the dragon who gives him his power, comparing to Horus, Zeus or Apollo.) *"Rx is not, as is frequently supposed, an abbreviation of a Latin word meaning recipe or compound, but is an invocation to Jupiter, a prayer for his aid to make the treatment effective...sometimes in old medical manuscripts all the R's occurring in the text were crossed."* (Devils, Drugs, and Doctors (1931))

The author makes a good point based upon the observation that 'R's were crossed in the old medical manuscripts.

It seems obvious to me that the Rx symbol is an invocation to Jupiter, seeing how it was a Watcher who taught men about spells and the cutting of roots. Such an invocation of aid from Jupiter is the invitation for a curse, biblically and truthfully. It may well be said that the familiar Rx symbol is an accursed graven image.

Here's a popular translation of the traditional Hippocratic Oath, which was written in Greek. Note, Horus is Apollo, son of Zeus, aka Jupiter.

*“I swear by Apollo, the healer, Asclepius, Hygieia, and Panacea, and I take to witness all the gods, all the goddesses, to keep according to my ability and my judgment, the following Oath and agreement:”*

To consider dear to me, as my parents, him who taught me this art; to live in common with him and, if necessary, to share my goods with him; To look upon his children as my own brothers, to teach them this art; and that by my teaching, I will impart a knowledge of this art to my own sons, and to my teacher’s sons, and to disciples bound by an indenture and oath according to the medical laws, and no others.

I will prescribe regimens for the good of my patients according to my ability and my judgment and never do harm to anyone.

I will give no deadly medicine to any one if asked, nor suggest any such counsel; and similarly, I will not give a woman a pessary to cause an abortion.

But I will preserve the purity of my life and my arts.

I will not cut for stone, even for patients in whom the disease is manifest; I will leave this operation to be performed by practitioners, specialists in this art.

In every house where I come I will enter only for the good of my patients, keeping myself far from all intentional ill-doing and all seduction and especially from the pleasures of love with women or men, be they free or slaves.

All that may come to my knowledge in the exercise of my profession or in daily commerce with men, which ought not to be spread abroad, I will keep secret and will never reveal.

If I keep this oath faithfully, may I enjoy my life and practice my art, respected by all humanity and in all times; but if I swerve from it or violate it, may the reverse be my life.”

This is what the profession is rooted in, even if the version that a participant has sworn left out the names of the gods it is still pagan idolatry. How do we know? One way is to see that by constraining members to swear an oath those responsible for the medical profession engage in a practice that is fundamentally wrong.

**Matthew 5:33-37** *“Again, you have heard that the ancients were told, ‘You shall not make false vows, but shall fulfil your vows to the Lord.’ But I say to you, make no oath at all, either by heaven, for it is the throne of God, or by the earth, for it is the footstool of His feet, or by Jerusalem, for it is the city of the great King. Nor shall you make an oath by your head, for you cannot make one hair white or black. But let your statement be, ‘Yes, yes’ or ‘No, no’; anything beyond these is of evil.*

**James 5:12** *“But above all, my brethren, do not swear, either by heaven or by earth or with any other oath; but your yes is to be yes, and your no, no, so that you may not fall under judgment.”*

## How Pharmakeia Works: Detuning for a biological realignment towards genetic reassignment

Towards the goal of facilitating the union of the sons of god with the daughters of men, pharmakeia plies our bodies and minds, acting to conform us to the image of the serpent.

Drugs induce changes in our body chemistry. These effect our body's function, metabolic processes. They influence how we feel, think and act, our personality, responses and reactions. These changes may be temporary but may also last a very long time. Some cause our DNA to be rewritten, which changes us quite tangibly into a different "us." Because the life of the flesh is in the blood (Leviticus 17:11) and our blood is subject to pharmakeia's effects, there is a direct impact on our souls! The influence is also supernatural, with the very real effect of opening a door or gateway, a dimensional portal through which demons may pass. Our thoughts and actions are then given over to their control. These entities are referred to as familiar spirits. The supernatural activity of angels and demons is the effectual power, which do work through natural agencies. Pharmakeia can hinder people from receiving the holy spirit, or can isolate those who have it from the Lord and deny them what benefit would otherwise be enjoyed.

Technically, I believe effectual chemical agents configure biological structures so they resonate with certain vibrational frequencies. These tune us, literally, to match established frequencies or their harmonics. A resonant link is established like that between a singer and a crystal glass when the singer can hold a note and break the glass. The principle can be noted in relevant passages of scripture. Consider the following verses and how voices produce audio signals.

**Genesis 1:3** *"And God said, Let there be light: and there was light."*

**Joshua 6:20** *"So the people shouted, and priests blew the trumpets; and when the people heard the sound of the trumpet, the people shouted with a great shout and the wall fell down flat, so that the people went up into the city, every man straight ahead, and they took the city."*

**2 Thessalonians 4:16** *"For the Lord Himself will descend from heaven with a shout, with the voice of the archangel and with the trumpet of God, and the dead in Christ will rise first."*

There is a link between the natural and supernatural that involves wavelengths and frequencies. The understanding of chemistry involves knowledge of the three (or higher?) dimensional molecular structures and the nature of the bonds. I believe pharmakeia is the knowing manipulation of these structures and bonds by drugs and spells, effectively retuning the targeted resonating structures from those of the inherited Yahweh/Adamic to the fallen serpent / Watcher / Nephilim. Think of this like an antichrist detuning mechanism that works to reset our biology from Messiah-like to antiMessiah-like.

For more insight, see the blog series [Threshold - The CBS sci-fi series from 2005](#) and watch this sci-fi series, considering the alien signal that invokes the transformation - and how blessed we are that the Lord would expose the enemy's hand in this hour.

The fact that this kind of transformation occurs is documented in the Bible. Genesis 10:8 reveals that Nimrod began to be a mighty one in the earth. The Hebrew for "began to be a mighty one" is "chalal gibbowr" which, when you search out the usage of these two words, makes it very apparent what is meant. He was detuned, if you will, from the image of Yahweh to Lucifer, or, in a figure, broken off from the Yahweh/Adam tree and grafted into the serpent tree. This is the intent of pharmakeia, to ungraft and regraft, to facilitate a genetic reassignment that will come through the addition of a third strand of DNA.

Pharmakeia prepares an individual for the mark of the beast on an emotional level, causing an affinity for the serpent and the serpent-kind and a desire for union with the serpent as an aphrodisiac. It facilitates the supernatural opening of what is referred to as the third eye or sixth chakra enlightenment channel. It prepares an individual physically by making them a fit container, a welcoming abode for the entities who were bound during the great flood and that still await their release. An individual so detuned is a willing and even eager receptacle, a canning jar ready to be filled, a receiver slave.

## **How Pharmakeia Works: Deceit, delusion, smoke and mirrors**

As stated earlier, pharmakeia provides cover for Satan's strategies, according to **Revelation 18:23**, "... because all the nations (ethnos) were deceived by your sorcery (pharmakeia)." A key passage on this topic is found in **2 Thessalonians**.

**2 Thessalonians 2:8-12** *"Then that lawless one will be revealed whom the Lord will slay with the breath of His mouth and bring to an end by the appearance of His coming; that is, the one whose coming is in accord with the activity of Satan, with all power and signs and false wonders, and with all the deception of wickedness for those who perish, because they did not receive the love of the truth so as to be saved. For this reason God will send upon them a deluding influence so that they will believe what is false, in order that they all may be judged who did not believe the truth, but took pleasure in wickedness."*

I often refer to the deception wrought as the antichrist delusion. The deluding influence God sends can, to a large degree, be equated to the great city Babylon's pharmakeia. The sovereign God has ordained that it should be as so presented, to accomplish His purposes of judgment. Don't fret about it - this is a good thing because ultimately judgment has two sides, including reward! Certainly, we have had and are even now receiving sufficient warning. The deception of wickedness for those who perish isn't explicitly defined in the passage, but it really doesn't need to be. The subject is addressed throughout the scriptures.

The activity of Satan underwrites the procreative scheme with myriad strategies. Pharmakeia provides the cover for these with powerful synergy as it works its magical biological realignment towards genetic reassignment. It is the ultimate facilitation tool. The drug spells are unlocking doors and providing control levers and bases of control. Pharmakeia lowers the natural resistance to the foreign ideas and images Satan introduces so influentially. What I mean by "natural resistance" is something imprinted into the nature of created beings that establishes a basis for discernment and accountability.

**Romans 1:18-20** *"For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men who suppress the truth in unrighteousness, because that which is known about God is evident within them; for God made it evident to them. For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse."*

## **Drug Spells and Satan's Myriad Schemes**

What are some of Satan's myriad schemes that are underwritten by pharmakeia?

The most obvious of Satan's schemes is the simple lie, a contradiction of the truth of the word of God. For example, the serpent told Eve while in the garden of Eden, "Ye shall not surely die," but the Lord God had said, "thou shalt surely die." As with that lie, the ultimate goal of these lies is seduction. The lies come through the speech and song lyrics of deceived and deceiving people in every context, or through the written word. Sometimes what comes to the conscious mind aren't actual words but rather pictures of familiar and recognizable things. Pharmakeia provides a smokescreen, an environment like "smoke and mirrors" that causes mental confusion and the inability to discern truth, making it difficult or even impossible to recognize and subsequently filter out lies. The spell inducing drugs thus provide something akin to lubrication for the insertion so the lies slide right on in.

Lies often come in the form of words that are perceived by the conscious mind but that's merely the most obvious way. When the "front door" is locked, that doesn't mean the devil can't get in to your "house." There are many ways; back doors, side doors, windows, through the doggie door or down the chimney! The serpent is subtle. You might think these things we see and hear consciously have the most influence, but the more I learn the more I think otherwise.

## **Musical Enchantment**

"Sex, drugs and rock and roll" or "Wine, women and song" ...

**How many people have been taken advantage of through the millennia by such a combination as these?**

Music can have a powerful influence, for good or for evil.

The Bible testifies that David, son of Jesse, was a skillful musician and that the Lord was with him.

**1 Samuel 16:23** *"So it came about whenever the evil spirit from God came to Saul, David would take the harp and play it with his hand; and Saul would be refreshed and be well, and the evil spirit would depart from him."*

If inspired music can drive an evil spirit from a man, can music inspired from another source have the opposite effect? Certainly!

The key testimony from the book of Enoch ("*Semjaza taught enchantments, and root-cuttings*" - **Enoch 8:3a**) that documents how pharmakeia was learned from the Watchers is also understood to relate to music. The following excerpt references the work of the noted British cuneiform scholar Oliver Robert Gurney (1911 - 2001).

*"Enchantment: Gurney describes the Hittite worship and shows that the rituals were almost identical to the Canaanite and Hebrew worship. One of the features of 'sympathetic' magic among the Hittites was the "Old Woman" or "wise woman" which may mean "midwife." Other scholars note that early musicians acted as midwives between a worshipper and their god. Gurney notes that "thirteen such women are known, but they function as sorceresses in countless rituals." Of the sorceresses who performed magic through the incantation of what we would call a poem or song, the "author" are 3 midwives, 1 doctor, 1 prostitute, and 2 temple singers."* (**Enoch Book 1: Watchers**)

What does a midwife do but facilitate the delivery of offspring? As more than a hint, you see, the enchantments and root cutting as pharmakeia and music operate together to facilitate the procreative agenda of the ages, to bring forth the offspring of the union of the sons of god and the daughters of men, a race bearing the image of the serpent. Wine, women and song! Sex, drugs and rock 'n roll! Seeing this combination in the context of the mark of the Beast may seem novel to you but such as that has been the goal for a very long time.

## **Subliminal - below the threshold of consciousness**

Most likely, you've heard of subliminal messages. It's also likely you've heard subliminal messages aren't effective. I'm sure you've heard there's no such thing as Satan, too. I hope you didn't fall for either one! If you check modern dictionaries, you'll find definitions like the following because subliminals are legitimate.

*Subliminal: "existing or operating below the threshold of consciousness; being or employing stimuli insufficiently intense to produce a discrete sensation but often being or designed to be intense enough to influence the mental processes or the behavior of the individual: a subliminal stimulus; subliminal advertising."* (Dictionary.com Unabridged - Based on the Random House Dictionary)

When words and images are presented below the threshold of our consciousness there is, by definition, no awareness of the stimulus and thus no opportunity to consciously control our response. Reason is removed from the equation. This situation is taken advantage of in many ways.

Regarding visual imagery, words like "sex" and "death" may be found subtly imprinted in paintings, ads, commercials and magazine covers, and also pictures of skulls, violent crime, male and female genitalia, and people engaging in sexual activity. Such as this would not be accepted if it were obvious to our conscious minds. When presented with sufficient subtlety, however, most people are influenced and the intentionally solicited reaction is produced.

Regarding audible imagery, words and sounds are sometimes presented with similar subtlety, heard and received without being consciously perceived. Walmart was accused of subliminal programming not long ago.

They played messages through the store's loudspeakers encouraging shoppers not to steal. In 2003, the words, "I hate you" were heard by Blanche Skelton coming from an item purchased from Walmart that had been hung on her baby's crib. This repeating mantra was concealed within the sounds of ocean waves from the aquarium toy that was intended to lull the baby to sleep.

There are risks involved when someone undertakes to present subliminal messaging. If the subliminal artifact is discovered and exposed, depending on the nature of or result of what has been done, there may be some negative impact on the transgressors's reputation. Watch this video to see CNN flashing a [subliminal ad](#) for a pharmaceutical. The popularity of subliminals reveals how their use is popularly deemed a worthwhile risk. The perception is that the benefits are substantial, and the evidence validates that perception.

## **Symbols and the Second Commandment**

Beyond the presentation of literal words and recognizable images there are symbols. These can be presented in such a way that whether or not we're consciously aware of their presence, it makes little difference; they influence our thoughts, feelings and behavior. These work even when we can't consciously interpret their meaning. Symbols can be gestures, shapes, colors, sounds or quantities or numberings of things, and combinations and alignments of component elements. Symbols have been leveraged for the exercise of control over people for a very long time. They are continually used to great effect.

What I've learned about such things in the last few years has changed the way I perceive the world around me in a big way. As I've shared what I've learned with others I've heard the amazing testimony of others whose eyes have also been opened. The messaging and influence of such spells comes through incredibly diverse media. Our culture is saturated with symbols whose bottom line is to prepare us for joining with Satan through the mark of the Beast. If you doubt that statement is true, you probably haven't considered the Beijing Olympics closing ceremonies or followed The Open Scroll Blog.

*"The psychological mechanism that transforms energy is the symbol."*  
Carl Jung (1875 - 1961) - father of analytical psychology

*"To cast a spell is to project energy through a symbol."*  
*"The Spiral Dance"* - a popular manual for witchcraft by Starhawk

*"A symbol can act in two ways. First, it can be used to focus and project your energy through it. Second, a symbol can function as a magnifier and transmitter of energy, even if you are not focusing attention on the symbol. Symbols do have a life force of their own. They are mini-transmitting stations for subtle energies that are infused in our reality. Each symbol interacts with your energy field, constantly generating a force field that strengthens you."*

*"Sacred Space"* - a popular Wiccan magic book by Denise Linn

*"Signs and symbols control the world, not phases and laws."*  
Confucius (551-479 BC)

You might wonder why, if this is really so, the Bible doesn't warn about such a threat to our freedom. It does, but we've been lied to about it so the deceivers (for example, the institution of the Roman Catholic church; an extension of the throne of Babylon) could leverage this powerful mechanism, this strategy of Satan. This threat is actually addressed by the second commandment of the famous and famously ignored ten.

**Exodus 20:4-6** *"Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth. Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; And shewing mercy unto thousands of them that love me, and keep my commandments."*

There is the warning. Such an image might be as obvious as a statue of a golden calf, or as subtle as a missing or misplaced dot in a corporate logo. There are two parts to this commandment. The first involves the making of such a likeness. The second involves the worship of such an image. If an image is made that represents or attempts to represent what is described (which are found in other contexts as generally relating to the created beings called angels), it is contrary to His command and, as acts of disobedience, will reap consequences. A shrine for the worship of "Mary," a St. Christopher medal, or perhaps a simple cross or dove; if a thing is assigned a spiritual meaning or elevated in importance it is such an idol. Any "good luck" charm is still a charm, meaning, witchcraft is involved. Unless the making of the form of some thing in the physical world that is intended to represent something else symbolically is explicitly directed by the most High God (as in the building of the tabernacle) it will absolutely serve to bring a curse. I see no option here.

## Reversed Speech - Speech Inversion

There's another kind of operative activity that compares somewhat to visual symbols but is auditory in nature, and still quite controversial at the present time. It's popularly referred to as Reverse Speech™, which is now a trademark owned by David John Oates of [reversespeech.com](http://reversespeech.com). It differs from symbols in that symbols can be consciously recognized and interpreted but this other activity is only ever imperceptible to the conscious mind, directly. At least this is the case in my experience and in the experience of others like myself. While this is not directly perceptible to the conscious mind, we know about it because we have the means to record speech, invert the audio signal and play it back, which exposes the phenomenon.

I reason that the fact of the existence of this phenomenon suggests that, given the requisite generating and transmitting mechanisms, some provision has been made for receiving and rendering the messaging in real time. As to what influence this has upon our thoughts, feelings and behavior in our condition at the present time, well, I could only speculate, but perhaps this functions in some way that compares to how the symbolic visual imagery functions.

You can learn about symbols and speech inversion from pages on [TheOpenScroll.com](http://TheOpenScroll.com) like "[Speech Inversion - Spilling the Beans](#)" and from the examples I've posted to my [YouTube channel](#), alias 17Stormy17.

The content of speech inversion involves both recognizable words and unrecognizable. Most of it sounds rather murky at best, and much of it often sounds like gibberish, even when listening over and over for something recognizable. Yet, something is being said, sometimes with words foreign to "known" languages. Whether words like nairf, schneerch, niersch and marf are of the tongue of angels or perhaps "lost" languages of men, I can't say. I can tell you that I've personally listened for hundreds of hours to reversed speech and that I believe this has been at the Lord's direction.

I am convinced that this content compares with regular forward speech in many ways. Reversals expose the fact that there is a spiritual realm and that people function as hosts and mouthpieces for beings from another dimension. There is content broadcasted on this channel that is what I call soul chatter, describing what's on a speaker's mind. There is also that which can only be identified as coming from somewhere else, from holy or unholy spirit. Since demons do broadcast on this channel there is vast potential for influence upon the minds of the speakers and hearers as a strategy of Satan.

Inverted speech is not of itself an evil scheme of Satan. The holy spirit is a "content producer" on the reverse channel and there is also benign soul chatter. Likewise, neither are music and symbolism of themselves inherently evil. It's when devils operate that an evil scheme is in play, like when a "graven image" symbol has been made contrary to the second commandment. The nature of what is produced is in accordance with its source.

**Proverbs 4:23** *"Keep thy heart with all diligence; for out of it are the issues of life."*

**Matthew 15:18-19** *"But the things that proceed out of the mouth come from the heart, and those defile the man. For out of the heart come evil thoughts, murders, adulteries, fornications, thefts, false witness, slanders."*

**Mark 7:14-16** *"After He called the crowd to Him again, He began saying to them, "Listen to Me, all of you, and understand: there is nothing outside the man which can defile him if it goes into him; but the things which proceed out of the man are what defile the man. ["If anyone has ears to hear, let him hear."]"*

If we tend to our hearts as the Lord has commanded, what we say and do is going to be the blessed fruit of obedience and love. Otherwise, what's brought forth will be evil, whether music, symbols, speech reversals, or whatever else. It matters not whether you or I or anyone else involved consciously intends to participate in one of Satan's schemes, what matters is the fact of participation.

Satan's schemes constantly work to detune our biological structures and get us resonating on his frequencies. You and I have been influenced by all his schemes, by some, even while yet in the womb! We are constantly being influentially manipulated by drug spells and other kinds of spells, subliminally disciplined for antichrist, and there are precious few among us that escape that snare. Many think they will, and ARE ALREADY DECEIVED! The procreative transformation of the mark of the Beast is coming, and, let me be very forthright about this: **Unless you are watchful and are very attentive to constantly seek diligently to obey the Lord Y'shua in all things, you will be deceived and your end will be cause for regret.**

If you don't submit to God and resist the devil you will surely dance to the beat of Satan's music. The flood of demonic influence saturating our environment massages us in every way possible to encourage the union of the sons of god with the daughters of men, conforming us to Satan's image in the most cunning, subtle and deceitful ways. Yet, a defense against the attack of the enemy has been provided, and such a defense as the Lord Y'shua provides is essential to the one who is to be found awake and watching when He comes for His Bride!

**James 4:7** *"Submit therefore to God. Resist the devil and he will flee from you."*

Here are more schemes you may have heard about that work in subtle ways.

Of course, brainwashing comes to mind straightaway as a general descriptive. What is sometimes labeled propaganda works to program and condition our thinking with determined terminology and linguistic structures. Hypnotic suggestions are planted in various ways, some with great effect. These may or may not be done under the recognizable banners of witchcraft as magical spells and incantations. What is known today as NLP (Neuro-linguistic Programming) is in the category of mind and behavior control. Such books as "Awaken the Giant Within" (Right. Think about it.) by Anthony Robbins, and, "Get the Life You Want" by Richard Bandler, are related examples. Attempting to use techniques on one's self to shortcut the learned discipline of self-control at the Lord's direction yields bad results, and when such techniques are "applied" to control others it's, of course, never good. Attempts to control others by manipulation may be done targeting a single individual or with the goal of controlling entire populations. Search online for such as subliminal persuasion, conversational hypnosis, creative visualization. Compare, too, what is at the core of all this to what you recognize as popular religious practice. Hmmmmm.

If you have never considered such the Manchurian Candidate as a potential reality, you haven't paid attention to events in recent years that really have no other explanation than that or something similar. Watch this [BBC News clip](#) of the "unexplainable" behavior of a pair of Swedish twins, then give what you saw some serious consideration. Twins are unfortunately the subjects of many kinds of experiments.

## **Remember Joseph Mengele?**

The explanation for the behavior of the Swedish twins seems obvious. Someone's control experiment was entirely successful. The media's report and the public reaction to the reporting of the event makes some interesting statements about the reality of our time as well.

It may be that every kind of audio wave and frequency has been studied with a view to understanding the effects on human behavior and health. You and I have been unwitting subjects in these experiments. Technologies like HAARP are believed to be leveraged to that end of exerting broad controlling influence. What a powerful tuning fork for the global population! Other devices have been developed that target more localized groups or individuals. Some have the ability to put voices inside heads like a magical ventriloquist. If you haven't seen the movie "Men Who Stare at Goats" and then listened to John Alexander's interview in the bonus features section, I recommend doing so, Lord willing.

Drugs in the water supply, processed foods and chemtrails - genetically modified plants and animals used for food and the spread of spores, bacteria and virus - waveform "pollution" from the electrical grid and broadcast towers and every sort of energetic projection coming through the entertainment media - all these things work to tune us, to retune us from Yahweh-like to serpent-like. What is done for control is not just for the simple acquisition of money or goods. Material wealth is only a means to the end. What is done is beyond even the feeding of the prideful ego of a few wicked people. When you evaluate the scope and scale of these schemes, the greed and pride points beyond mere natural man to the serpent and to his interest in men as the means to acquire worship as God, having the subjects in his kingdom made in his own image. It is a full replacement agenda, substituting himself for the Most High, his body for His Body, his body's head for His Body's Head and even his bride for His Bride.

## The Aphrodisiac and the Goddess of Magic

One could hardly address this topic without considering aphrodisiacs. "Aphrodisia" means sexual desire. An "aphrodisiac" is a food, drug, potion, or other agent that arouses sexual desire. I've presented pharmakeia as facilitating the procreation scheme, which means that it truly serves on some level as an aphrodisiac.

Word Origin & History: aphrodisiac - 1719, from Gk. aphrodisiakos "inducing sexual desire," from aphrodisios, "pertaining to Aphrodite" (q.v.), Gk. goddess of love and beauty. (Online Etymology Dictionary, © 2010 Douglas Harper)

Just that connection alone should speak to many of you pretty loudly about the point of pharmakeia. Yes, it facilitates procreation between the sons of god and daughters of men. Like the Rx symbol, aphrodisiacs can be traced back to the Watchers who taught the magic of pharmaceuticals. Since this Aphrodite is secretly so popular and influential even today, I'm going to expose some of what's been hidden so you can perceive this presence in your daily life.

*"Aphrodite was the ancient Greek goddess of sexual love, fertility, and beauty. In Greek mythology Aphrodite was renowned for her mortal lovers, who included Adonis and Anchises."* (Wikipedia entry for Aphrodite)

It's the union of the immortal with the mortal lovers that is, of course, the real focus of the pharmakeia aphrodisiac. Aphrodite may be a reference to Lucifer or to a Watcher or archon like, perhaps, Azazel. This demonic entity is celebrated in many cultures, associated with the Roman Venus, the Phoenician Ashtoreth, the Egyptian Hathor, the Saxon Eostre and Ostara, and the Assyrian Ishtar. When temple prostitutes are involved, a Baal/Ashtoreth god/goddess alias is being worshiped.

- [The Sign of the Queen of Heaven](#)
- [Our Lady of the Nations](#)
- [Our Lady of the Olympics](#)

I can easily demonstrate the influence the Goddess of Magic has in today's world.

The fertility goddess is celebrated in pagan christianity as/at Easter with eggs, prolific bunnies and sunrise rites around the Vernal Equinox.

*"In ancient Anglo-Saxon myth, Ostara is the personification of the rising sun. In that capacity she is associated with the spring and is considered to be a fertility goddess. She is the friend of all children and to amuse them she changed her pet bird into a rabbit. This rabbit brought forth brightly colored eggs, which the goddess gave to the children as gifts. From her name and rites the festival of Easter is derived."* (Ostara - Encyclopedia Mythica)

Easter, that's still pretty influential, right? There is coming a fake baptism / resurrection at that time of the year that's going to reveal the Beast, which is the hinge pin of the procreation / transformation! Have you ever seen children on an Easter morning sugar / food dye / chocolate-caffeine buzz? Oh my! An aphrodisiac attack!

The Aphrodite legend presents her as arising from the sea, from the sea foam (aphros), comparing to the picture presented in Revelation 13:1 *"And the dragon stood on the sand of the seashore. Then I saw a beast coming up out of the sea ..."*

Some elements associated with the goddess are the shell, dolphin, dove, sparrow, swan, rose, mirror. The famous painting by Botticelli shows Venus (Aphrodite) on the shell. As Ostara she is the personification of the rising sun. Tying in with my blogging about occult symbols, note how these are combined in a logo you should find familiar.

Here's another logo of note. Sea-Doo is a brand of personal watercraft.

Their logo just shouts Aphrodite!

If you're savvy about occult symbols, you notice the letters called out are the A and D, as in Aphro-Dite.

This god's emblematic dolphin is featured, which forms an arc. The arc presents the heavenly arch and suggests that underneath it is a female circle. Within the female circle is the male dot (a Bindu). The most obvious shape in view is the downward-pointing delta signaling the triple helix transformation of the daughters of the Adam and Eve. This is about the union of the sons of god with the daughters of men, suggesting the aphrodisiac facilitation.

Their slogan, "The good life just got better," appears with the focus on the word "good." This is a signal phrase because the better life referenced is the one that comes with the triple helix "upgrade" - a HUGE LIE! It compares to Walmart's "live better," whose slogan is associated with their comparable six pointed star.

The rose and mirror are combined in this snapshot from [The Iron Giant](#), an antichrist signaling feature length animation.

While The Iron Giant has never achieved widespread popularity, a thematically related movie sure has, called [Mamma Mia!](#) In December 2008, Mamma Mia! surpassed Titanic (1997) as the highest-grossing film of all time in the United Kingdom, and remained #1 until it was overtaken by Avatar sometime in 2010. The Goddess is beloved. The setting is a Greek island and a villa in particular that is in the storyline "rumored" to be built on the legendary fountain of Aphrodite. I put "rumored" in quotes because the magical influence of the waters of the fountain are certainly evidenced in the movie. I watched this movie recently, knowing that it was at the Lord's direction, who had been directing me to watch particular movies in a curriculum of instruction about symbolic representations and the gods they honor.

Many of these movies feature the number 9, the single digit signal of the triple helix transformation. Mamma Mia! is one of a similar kind marked with number 8 signals, being made in 2008 and having a duration of 108 minutes, which actually sums to 9. Did you notice how the current Shell logo exhibits eight rays? The number eight was heavily featured during the [Olympics in Beijing and in the associated crop sign of 8/8/08](#). It signals the counter-flood of Noah the eighth (**2 Peter 2:5**), the coming of which is most certainly being facilitated by the aphrodisiac scheme.

**2 Peter 2:5** *"and if He did not spare the ancient world, but protected Noah, a preacher of righteousness, with seven others, when He brought a flood upon the world of the ungodly;*

## The Eye as agent of transformation

Another form of the Rx symbol that apparently used to be popular actually presented an eye instead of the R, positioning the x below it. (If anyone finds a good picture of this example, please let me know.) That "prescription" eye was even known as the Eye of Horus. Horus has been considered the "father of pharmacy." It's in identifying this symbol as the EYE of Horus that really highlights the objective of the pharmakeia scheme.

It was the eye that some versions of the ancient story accounted as holding the magical regenerative force, the power of resurrection or rebirth. The eye symbol points beyond death to a different life and identity, which is to say that it's not representing any "band-aid" healing restorative work that simply extends the life of man in this body and soul identity. The Eye of Horus is all about such a dramatic transformation.

The mark of the Beast will involve this same magic, in the promise of the granting to mortal men a facsimile of immortality through a triple helix DNA transformation. [See this blog post for some very convincing documentation.](#)

**Revelation 9:6** *“And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.”*

Often, the truth of Satan's schemes that the higher echelon agents will only reveal when cloaked in esoteric symbolism is more plainly declared by agents with lesser visibility. In such an example, I want you to consider what I found on the site DNA Alchemy. This is a validation of much of what I've been declaring.

The following is a [testimony excerpted from The Eye of Horus](#) page. Consider it as brought forth by way of familiar spirits.

*I have always seen the Eye of Horus shown as an ancient Egyptian Hieroglyphic Symbol and heard the story about Osiris and Isis and the birth of Horus their son.*

*It was not until I was activated through the Eye of Horus that I understood what it really meant and that the story was a parable meant to keep alive the energies until humanity was ready. The Eye of Horus Clearing and Activation is energy work that was "downloaded" to me as I was deep in Meditation just as I directly experienced my own personal Eye of Horus Activation. The Eye is the Eternal Eye through which a template of vibratory patterns is used by the Masters and Lords of Light to generate physical creation. The Father's Eye of divine creation coordinating the minds of the Elohim so that the divine image can be passed on to all generations of creations. The Eternal Eye allows the Father's Living Light to make visible His garment so that it can form the Light substances.*

*From the Father's Living Light through Sacred Geometry, Light is transmitted through the Eye of Horus to the human being to transform him into a Light Being.*

*This is known to me as a remembrance as far back as Lemuria and is a very ancient system that had been used on the Earth Plane but forgotten until now. I am not the only person who has remembered this.*

*When it is said that through the Eye of Horus you are transformed into a Light Being it does not mean that this is the only means. I believe that everyone is receiving the accelerated energies that are present on the Earth now. The people who are drawn to activate through the Eye of Horus energies are, in my opinion, the way showers. The Eye of Horus refers to the ancient Mystery School Teachings of Creational Geometry encoded by Isis and Osiris and left behind with their priests in Egypt. These are the same souls who are the priests in Atlantis and other programs. They carry this genetically encoded information in their DNA - triggered now as we move back to 2012.*

*If you understand the testimony of **Luke 11** and [how the "dark" light of a lamp is cast by the occult pyramid eye](#), and the corresponding Olympic torch and cauldron, no further commentary about that person's testimony is necessary.*

**Pharmakeia as procreative facilitator - exposed by technical means**

The function of pharmakeia as a primary facilitator of the procreative agenda can be recognized through the exercise of some more technical study methodologies. If this kind of thing interests you, you should find this simple thematic structure of Enoch 7 of great interest. It certainly speaks to me!

**Enoch 7:1-2a** *And they took wives for themselves and everyone chose for himself one each. And they began to go into them and were promiscuous with them. **And they taught them charms and spells, and they showed them the cutting of roots and trees.** And they became pregnant and bore large giants.*

If you wrap parenthesis around the third "sentence" of **verse 1**, the surrounding context then flows with unbroken continuity. This exercise reveals that the third part of **verse 1** functions as a parenthetical insertion. E. W. Bullinger would refer to it as an "introversion" structural form, examples of which you may have encountered in the popular work, The Companion Bible. Because the pharmakeia strategy is presented as if it were sandwiched between two slices of procreation, so to speak, we can see these as particularly related. The literary structure highlighting pharmakeia as the central element supports the bracketing procreative scheme.

In another manner of showing that two subjects are related, consider the language of **Revelation 18**.

**Revelation 18:23** *"and the light of a lamp will not shine in you any longer; and the voice of the bridegroom and bride will not be heard in you any longer; for your merchants were the great men of the earth, because all the nations (ethnos) were deceived by your sorcery (pharmakeia)."*

The English words "ethnic" and "ethnicity" derive from the word "ethnos." This Bible text's manner of identifying the Earth's inhabitants makes a racial rather than geo-political distinction, which would be implied by (mis)translating ethnos as "nations." When, in verse 23, the Greek words "ethnos" and "pharmakeia" are presented together, you can read between the lines, so to speak. When you consider the evidence that history, past, present and future, revolves around two fruit bearing trees (the Adamic (Yahweh's line) and Luciferian) and have eyes to see the procreative theme being redundantly signaled by every apparent means, well, **Revelation 18:23** just speaks pretty loudly about the 23 (verse) chromosome packages composing the mark-of-the-Beast (6+6+6=18 - the chapter number).

Now, consider how the greater context of that **verse 23 (chapters 17 and 18)** features illicit sexual relationships.

**Revelation 17:3** and upon her forehead was a name written: *"Secret, Babylon the Great, the Mother of the Whores, and the Abominations of the earth."*

**Revelation 18:3 (YLT)** *"because of the wine of the wrath of her whoredom have all the nations drunk, and the kings of the earth with her did commit whoredom, and merchants of the earth from the power of her revel were made rich."*

These are, of course, figurative expressions, yet, I've learned time and again, as the Lord opens my eyes, how metaphorical and allegorical language used in the Bible conceals literal truths. Certainly, beyond the figurative, whoredom with a harlot involves a sexual relationship, procreation.

A couple years back I put a lot of time and effort into trying to discern the thematic structure of **Revelation 17 and 18**, and as a result of the Lord prospering this effort with much favor I can direct you to the result. **Revelation 17 & 18** - An interactive presentation of its thematic structure There, you can see for yourself how verse 3 and 23 are directly linked, one to the other. To expose the helpful highlighting, hover your mouse over the lightest gray bar in front of 18:3. Make sure you can see both the 18:3 and 18:23b-24 sections in your view at the same time. There's a lot of effort in the thematic structure work but there's always a big reward with the insight granted!

The ultimate goal of the fallen angels' "knowledge download" and practice has not changed. The pharmakeia taught by Semjaza facilitated the procreative scheme prior to the flood and so it is today, in the days of the coming of the son of Man when the transforming mark of the beast nears its prophesied introduction.

## In Closing

There's an obvious lesson here. Mind your drug use. Weigh whatever promises or benefits are associated with the medications with what they might actually be costing you. If you suspect the influence of curses in your life and find the Lord's blessings elusive, consider the potential role pharmakeia plays in your life. If you find yourself struggling with faith and peace, less pharmaceuticals and not more is usually the better choice. I encourage you to entrust your health and well-being to the Lord, who is the great physician. Seek His specific guidance and take care to follow through with that direction.

You might want to print some copies of the following paragraph to relabel your drugs.

***"Warning! This drug may increase your susceptibility to demonic influence. Use may lead to unpleasant side effects such as but not limited to falling under Satanic spells, demonic possession, and antichrist delusion. Destruction may occur. If a bustle occurs in your hedgerow while taking this drug, please stop taking it immediately and call your friendly ministering saints who can seek the Lord with you for deliverance."***

If you ever watch TV, you've spent time watching commercials for drugs of many kinds. The drug companies and the mass media are pushing drugs like there's no tomorrow! Why? Because, truly, not many more tomorrows remain. No effort is being spared to medicate the masses, globally. Such as GlaxoSmithKline, Hoffmann-La Roche, Pfizer and even long respected Johnson & Johnson don't have clean ethics records, and there is every reason to question their motives as we consider what is done over what is said. Given what has been presented in this writing, you have another version of the facts to consider about what big pharma is really all about.

If you feel sure you would know whether or not you were under a spell, I challenge that reasoning because in fact you would not consciously perceive it unless the Lord Y'shua gave you a conviction about it. Spells are by their very nature deceitful. Otherwise, how could they work? Since there is no conscious awareness about our state, our primary, and really, only, defense, is to trust in the author of the Bible to uphold His promises of blessing for obedience, and make every effort to obey! It's very important to grasp the relationship between obedience and the state of being deceived. In these last days it's really so very critical for you and I to understand, who truly seek to be found worthy of becoming Y'shua's Bride at His coming. Consider the following scripture.

***Matthew 24:24*** *"For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect."*

The language used in that verse conceals from some and reveals to others the truth that everyone will absolutely be deceived, excepting the small number accounted as "the very elect," because it is not possible to deceive them.

What assurance do you have that you personally will be accounted among such a small number as the "very elect"? Strive to be found worthy of the Lord until your appointed end. Watch, according to **Mark 13:37**. What you will see as you watch in this hour is that all the sorceries of Babylon are being leveraged to deceive!

**Hebrews 3:12-14** *“Take care, brethren, that there not be in any one of you an evil, unbelieving heart that falls away from the living God. But encourage one another day after day, as long as it is still called “Today,” so that none of you will be hardened by the deceitfulness of sin. For we have become partakers of Christ, if we hold fast the beginning of our assurance firm until the end,”*

**If You Vaccinate, Ask 8!**

## **What You Need to Know Before & After Vaccination**

Under the National Childhood Vaccine Injury Act of 1986, nearly \$3 billion has been awarded to children and adults for whom the risks of vaccine injury were 100%. Vaccines are pharmaceutical products that carry risks, which can be greater for some than others. NVIC encourages you to become fully informed about the risks and complications of diseases and vaccines and speak with one or more trusted health care professionals before making a vaccination decision.

- Am I or my child sick right now?
- Have I or my child had a bad reaction to a vaccination before?
- Do I or my child have a personal or family history of vaccine reactions, neurological disorders, severe allergies or immune system problems?
- Do I know the disease and vaccine risks for myself or my child?
- Do I have full information about the vaccine’s side effects?
- Do I know how to identify and report a vaccine reaction?
- Do I know I need to keep a written record, including the vaccine manufacturer’s name and lot number, for all vaccinations?
- Do I know I have the right to make an informed choice?

If you answered yes to questions 1, 2, and 3, or no to questions 4, 5, 6, 7 and 8 and do not understand the significance of your answer, you may want to explore information on NVIC's website to better understand the importance of your answer. These questions are designed to educate consumers about the importance of making fully informed vaccine decisions. Click here to learn more about the role of informed consent in vaccination.

**If you choose to vaccinate, always keep a written record of exactly which shots/ vaccines you or your child have received, including the manufacturer’s name and vaccine lot number. Write down and describe in detail any serious health problems that develop after vaccination and keep vaccination records in a file you can access easily.**

## Recognizing Vaccine Reaction Symptoms

If you or your child experiences any of the symptoms listed below in the hours, days or weeks following vaccination, it should be reported to VAERS.

Some vaccine reaction symptoms include:

- Pronounced swelling, redness, heat or hardness at the site of the injection
- Body rash or hives
- Shock/collapse
- High pitched screaming or persistent crying for hours
- Extreme sleepiness or long periods of unresponsiveness
- Twitching or jerking of the body, arm, leg or head
- Crossing of eyes
- Weakness or paralysis of any part of the body
- Loss of ability to roll over, sit up or stand up
- Head banging or onset of repetitive movements (flapping, rubbing, rocking, spinning)
- High fever (over 103 F)
- Vision or hearing loss
- Restlessness, hyperactivity or inability to concentrate
- Sleep disturbances that change wake/sleep pattern
- Joint pain or muscle weakness
- Disabling fatigue
- Loss of memory
- Onset of chronic ear or respiratory infections
- Violent or persistent diarrhea or chronic constipation
- Breathing problems (asthma);
- Excessive bleeding (thrombocytopenia) or anemia
- Loss of eye contact or awareness or social withdrawal

There are other symptoms, which may indicate that you or your child has suffered a vaccine reaction. Not all symptoms that occur following vaccination are caused by the vaccine(s) recently received, but it cannot be automatically concluded that symptoms which do occur are NOT related to the vaccine. Therefore, it is important for your doctor to write down all serious health problems that occur after vaccination in the permanent medical record and to report ALL serious symptoms or dramatic change in physical, mental or emotional behavior that does occur following vaccination to VAERS. It is also important that re-vaccination does not continue until it has been determined that the serious health problem which developed after vaccination was not causally related to the vaccination(s). Continued vaccination in the presence of serious health deterioration could lead to vaccine injury or death.

## **Petition: Pharmakeia**

Father in the Name of Y'shua I repent generationally for our covenant with Pharmakeia (sorcery). Father we have been deceived. We are responsible and guilty for creating a covering for Satan's dark strategies to be birthed on this earth plain.

Father we ask that any binding Satan has done through pharmakeia - we loosen their work to be exposed, we ask that all delusion and smoke will be cleared and mirrors will be removed so that Your truth will set us free.

Father we repent for our trading on this demonic trading floor of pharmakeia. We repent for coming under the influence the fallen angel semjaza for charms, casting of spells, and cutting of roots.

Father I repent generationally of all covenants, oaths and agreements that me and my ancestors swore to Apollo, Asclepius, and Panacea as the healers, we repent for coming under their governments and empowering them on the earth plain. You are the only healer Jehovah Rapha.

Father we repent for this root of idolatry. We declare a divorce to the god Orcus of the underworld, the punisher of broken oaths, because of our oaths with pharmakeia. We declare Your punishment and judgement upon Orcus and we tear up his mantle declaring it null and void.

Father where our DNA was rewritten and dedicated to pharmakeia and where it was imprinted with Hades we ask to close all doors, gateways, and portals that were opened over our DNA now in the name of Y'shua. Father where a part of our soul was captured in Hades because of Pharmakeia, we ask that you would please send your angels to fetch those parts. We ask that the two snakes will now uncoil from our humanity and be released from our DNA. We declare to be quantumly released from their control, that they will no longer have any effect on our humanity, and we break the curse of isolation.

We ask that you scramble and disconnected my humanity from the communication grids

Father You state in Your Word, as disciples we are to come to perfection in Christ, so that there is no **spot or blemish** in us. "... *that He might present her to Himself a glorious church, not having **spot or wrinkle** or any such thing, but that she should be holy and **without blemish.***" **Ephesians 5:27.**

Father we bring all the spots, blemishes and wrinkles of our generations, the memories and information that were installed and stored, to now be cleansed from our spirits, souls, and bodies. We repent for the Principality's and Powers appointed over us and what we have empowered over the world for taking vaccinations or anything applicable knowingly and unknowing to control our humanity with sickness, disease, infirmity, plagues, pestilence, nanotechnology, devices, toxins and pathogens.

In the Name of Y'shua through the Blood we renounce and repent of these demonic powers and their realms and that we have empowered them through our iniquity by giving them:

- ◆ Influence
- ◆ Agenda's
- ◆ Power
- ◆ Authority
- ◆ Jurisdiction

We bring all their legal rights under the Blood of the Y'shua and we repent generationally. Father we ask that Your Light will shine on and through our spirits, souls and bodies detecting and exposing all man-made weaponised altered genetic information and technology.

**May this bring Glory to Your Name throughout the earth!**

**AMEN!**

## Wrapping-Up Prayer AFTER Deliverance (for the counsellor)

Dear Heavenly FATHER,

Thank You for the work being done here today. We pray against any whiplash, backlash, and judgment from the enemy in the Name of Y'shua HaMashiach (Jesus Christ).

We ask FATHER, that You will cut any un-Godly spirit/soul-ties formed in the spirit because of the deliverance that took place, also any transference that took place between their spirit, soul, and body to my spirit, soul and body. We plant the Cross of Y'shua HaMashiach (Jesus Christ) between myself and the counselee. Thank You that no transference will take place. We take Your Comprehensive Insurance for our families, relationships, and possessions.

We ask that You will cleanse and purify this property and this room with the Blood of Y'shua HaMashiach (Jesus Christ) of Nazareth and Your Holy Fire, that no demon will attach itself to any object and all human and dead human spirits be removed by Your escort angels to the footstool of King Y'shua HaMashiach (Jesus Christ). That all defilement be removed and swept away with Your Broom of destruction in Name of Y'shua HaMashiach (Jesus Christ).

FATHER, we ask that You remove any watchdog and marker demons, that have been assigned by the kingdom of darkness to mark the property in the spirit for a counter attack through astral projection, to the Feet of Y'shua HaMashiach (Jesus Christ).

We also want to declare the Kingship of Y'shua HaMashiach (Jesus Christ) of Nazareth over this place and that all openings<sup>5</sup> are sealed off with Your Blood.

**AMEN!**

**Remember** to go before the FATHER and shower yourself with the Water of the Word. You may also want to perform a *mikvah*<sup>6</sup> (baptism), to symbolize a cleansing after deliverance. Remember too to **enter into praise and worship** and fill yourself with the FATHER's Presence again.

---

<sup>5</sup> Openings include telephone and fax lines, computers, water pipes and sewerage, electricity circuits, Wi-Fi networks.
