APPRECIATION

I give special appreciation to my wife MRS NGOZI OLAYERI for her assistance in ensuring that this book is published and our children that played around us to encourage us day and night.

Also, this manuscript wouldn't have seen the light of the day, if not for the spiritual encouragement I gathered from my father in the Lord, Dr. D.K. OLUKOYA who served as spiritual mirror that brightens my hope to explore my calling (Evangelism). We shall all reap our blessings in heaven but the battle to make heaven is not over, until it is won.

PREFACE

Witchcrafts are killer merchants. They destroy good things that come their ways. They are notorious and wicked. They don't have good agenda but wickedness. They are spiritual criminals with intention to pull down laudable destiny. Their agenda is evil with mission to kill, to steal and to destroy. When they are done with a life or destiny, emptiness and sorrow becomes the order of the day.

This book is written to address all these and bring life to normal. You must excel in the race of life. You need engine of prayer to accomplish it. This book answers it all. The book is loaded with simple, but volcanic warfare prayers that uproot and destroy works of darkness. It propels you to be a champion in prayer.

This book is powerful and result oriented. It is spiritually loaded with powerful prayer points that will make you marvel at what God can do when right prayer is said. As a soldier of Christ you must not tarry in prayer, as prayer answer all things. When you pray, you feel relieved and accomplished, you are happy and encouraged. It is time you fulfill these assets that build one for great exploits.

Brethren, it is time to pray. Let prayer be your food, let it give you strength to push ahead in the battle of life. If you fail to pray, you will fail to accomplish your worth in life. You are a prayer giant that must not be a foot mat to enemies. You are branded an eagle, your eagle must fly.

This is the time to achieve this. Buy this book and march on as accomplished soldier. You shall win with this book in your hand.
