INTRODUCTION

Perfect greetings saints,

Grace and peace be multiplied unto you in the name of our blessed Lord.

In the beginning, there was a language— the language that birthed the galaxies and whispered life into being. A dimension of vibrations that set the world into motion. There exists a mystic language in the realms beyond our senses, a language spoken in the hallowed halls of the unseen. It is a language understood not by the physical ears but by the spirit—a language of symbols, realms and dimensions.

Do not be deceived by the tranquility of the visible, beneath the surface, in realms unseen, a battle unfolds, and your soul is the battleground.

Through this book, I shall guide and challenge you on cultivating the vibrations of your spirit for ascension to command spiritual altars and creatures. The war in the heavenlies is real, and the battle extends far beyond our immediate perception.

Today I make a clarion call from the corridors of eternity, do not be a mere spectator in this conflict. Accept responsibility and plunge into the depths of spiritual warfare.

The time has come to stop playing church, go beyond the superficial and transition into dimensions unseen. Take up the armor of light and come with me.

May the grace of our Lord Jesus Christ be with you.

In the service of the Living Christ,

John Anosike, The Bondservant Of Christ

THE SOUND, TONGUE AND LANGUAGE OF CREATION

Every creature has a sound, mysteriously, every sound is a language, and every language is a tongue. How can the sons of God rule over creation if they don't understand the tongue, the sound, and the language of creation? What is the sound that mountains hear? Faith. Faith that moves mountains is not the religious faith but the active faith spoken with words of dimensions.

“For truly I tell you, if you have faith the size of a mustard seed, you will say to this mountain” Matthew 17:20-21.

Imagine if you make that sound; mountains move! If that statement is not translated, transferred, and transmitted to the language that mountains hear, it will not produce results. Remember the embarrassing scene in Acts.

Then certain of the vagabond Jews, exorcists, took upon them to call over them which had evil spirits the name of the Lord Jesus, saying, We adjure you by Jesus whom Paul preacheth.

And there were seven sons of one Sceva, a Jew, and chief of the priests, which did so. And the evil spirit answered and said, Jesus I know, and Paul I know; but who are ye? And the man in whom the evil spirit was leaped on them, and overcame them, and prevailed against them, so that they fled out of that house naked and wounded. Acts 19:13-16

That command was the same command Paul used and demons departed, but certain men used it without being powered by authority, they got beaten up by demons.

If your English does not have the sound of that particular circumstance that you are addressing, if your words are not carried by the language that that realm or dimension understands, it will not change. No wonder many situations have remained the same even though you have spoken positive words for years.

Every sound is saying something; every noise is saying something. The sound of the wind, the sound of many waters, the sound of storms, the sound of serpents, the sound of trees, the sound of an infant, the sound of the first cry of the child, the sound of energies, the sound of light, the sound of the cloud, the sound of expressions, the sound of silence. Even the Bible says

Study to be quiet. 1 Thessalonians 4:11.

Study to understand the language of silence. Everything has a sound, everything has a language, every sound is a tongue. The ability to understand the sound of all creatures is the coming reign of the sons of God. The ability to address creatures by their languages is dominion. So, for any man to capture the ability to rule and reign over creatures, he must return back to the garden of God through the gate of the flaming fire. In other words, you must master spiritual languages

When Lazarus was raised from the dead, the people thought that Jesus saying, 'Lazarus, come forth' was the reason the miracle happened.' No, there was a sound that powered the instruction. 'Lazarus, come forth.' How do I know? Jesus, before He went to heaven, breathed on them.

And when He had said this, He breathed on them, and said to them, "Receive the Holy Spirit. John 20:22.

He imparted The Holy Spirit to them by a wind, Because the language of spirits is wind. If you don't understand the languages of creatures, you will not rule over these creatures.

O earth, earth, earth, hear the word of the LORD. Jeremiah 22:29.

That means every creature has an ear to hear. In the scripture above, the prophet is addressing the earth and programming instructions for the earth to act on.

Destruction and death say, We have heard the fame thereof with our ears. Job 28:22.

Even death and destruction have ears. They have a mouth. Mountains have ears, and they can speak. The sea has ears; they can hear.

Jesus instructed the sea!

And he arose, and rebuked the wind, and said unto the sea, Peace, be still. And the wind ceased, and there was a great calm. Mark 4:39

The reason why we have been killed and destroyed as though we have no power is because we don't understand the language of creatures that come against us. Remember, creation was subject to vanity not willingly.

For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected the same in hope. Romans 8:20

So, why are they killing you? They are angry. They are broken. They are saying I can't do it. It's not me. Something is controlling me. Corruption is on me. I need to be helped. The mountains were never meant to kill you. The sea was never meant to kill you. The food you eat was meant to nourish your body, not to kill you with infections and diseases.

The oxygen you breathe is corrupt already. Everything in the world is corrupt; it is gearing towards death. The day you were born, you started dying. You started aging and this continued into the grave. But they who understand the sound of creation will rule over all things.

A couple of days ago, we had windy weather in Cape Town. People only heard the sound of the wind, but they never heard the language of that wind. That wind came with a message. People go by the seashores and see the water; They hear a sound, but never knew that the sound of many waters was a tongue, a language saying something deeper, the natural man could not hear. You came near a tree, and the tree began to flap itself. You're just hearing the movement of a tree, but you don't know that the tree beside your room is telling you that there is something about to come in the night. A warning, you only heard the sound, and missed the message.

Creation was made for us. They exist to serve us. They are our servants. We have to subdue them; we have to exercise dominion over them. Every creation is living. Habitats are alive. So, they were all created to have ears to hear and ability to speak.

However, these languages of creation are in multiplicity of dimensions. To this end, if we are going to capture the fullness of the spirit and operate in the position of the sons of God, we must understand the languages of creation.

You can peep into the language of the atmosphere and know what is happening. Somebody comes to shake you; hello, he smiled, and you look at him; you perceive what is happening. Greater than the words of a man are his thoughts. If you cannot hear the thoughts of man and the intentions of the heart, you are in danger because words are highly deceptive. I can tell you what I want you to hear and not tell you the truth in my heart.

Therefore, it takes the discernment of the spirit to understand the hidden languages of the intentions of man. You can understand the language of human imaginations; they are right in the eyes. If you want to capture the capacity to discern the languages of sound and be able to command and rule every creation, you must be willing to return back to the garden of God through the gate of the flaming fire.

Adam could rule creation only when was in the garden of God. The moment Adam was removed from the garden, creation got corrupted. Creation became disobedient and disloyal, insulting and abusive to its ruler, king, and one that named every one of them. That which you are supposed to control is controlling you. How come a servant is controlling his lord? When Adam was in that garden, he understood the sound of animals. When the cow spoke in a language, Adam responded, and said, 'Your name shall

be cow,' and then the cow would say, 'Yes, sir.' He went to the birds of the earth and began to understand the sound. For natural men, you don't understand the sound of birds; they are saying something to you in their language.

There is a restoration happening now. We will understand the sound of the wind before a tsunami hits any nation. We will tell the nations before it happens. Even the scientists, the weather forecasters, have come to a certain capacity to understand the language of the weather through scientific discoveries. What about us who are spirits; we should be able to hear that in five days' time there will be a little bit of a storm; that is what the wind is saying.

A month ago, the waters were talking. Nobody should be on me in the next five days. After two days' time, you can come back and swim and enjoy me. But nobody understood it. In those five days, some folks went there; the news reported five people were dead. So, what happened? We just lost five people in the sea. Yet, the sea spoke, but no one understood it.

THE LANGUAGE THAT TRANSCEND SPEAKING IN TONGUES

There are different languages of the spirit. Don't even think that praying in tongues is the first language. The tongue you use for the prayer of the spirit is not for your ascension; it is not for the fullness of the spirit. It is only for the development of your faith and edification of your spirit. But when faith is developed, and you come to the unity of the faith, you must move from the dimensions of faith to the dimension of the knowledge of the Son of God.

When you have progressed from the dimension of the Son of God, you go on to become a perfect man. And once you have moved from the realm of a perfect man, you go on to the full measure of the stature of Christ. In that dimension, you are caught up into the fullness of God. That is when you stop praying in tongues and start groaning, which is the final access to all the dimensions of the spirit's language. In that groaning, you enter into the depths of the ancient scripts of the spirit, realizing that words can unlock the heavens.

Jesus therefore again groaning in himself cometh to the grave. John 11:38.

He was not praying in tongues or singing praises and worship; he was groaning on his way to the grave. Groaning is a language, an ancient language of the spirit with access to all dimensions of the miraculous.

Groaning is the master key that unlocks the glory of God. When you spend hours just saying these sounds, be very confident because they carry in-depth languages of the spirit, unlocking realms, breaking dimensions, depleting afflictions, diseases, confusion, and the clouds of darkness over nations.

But what is groaning? Before Jesus raised the dead, he entered into a dimension in himself, tapping into energies and frequencies by uttering things unheard. That is groaning. The vibrations and frequencies of that groaning unlock dimensions of the spirit to raise the dead, calling back a man dead for four days. It's not a mere fact, but by the spirit. Jesus went into the world of the dead, linked it with the physical dimension, creating a portal to bring the dead back to the body. The ancient gates that separate man from his body had closed. Jesus had to ascend into that dimension, interacting with the gatekeepers of two dimensions. Groaning with the languages, he focused not on the dead body or the people crying but on interacting with the ancient gatekeepers, opening the portal for Lazarus' dead spirit to travel. And when the portal opened because of the groaning, He asked

"Where have you laid him? John 11:34

That means his spirit is already on the move, traveling back to unite with the body.

The tomb stone was removed, and Jesus, groaning with a language only the Father heard, thanked Him. Then he cried with a loud voice, "Lazarus, come forth!" At the point of groaning, Lazarus was

restored to his body. Jesus used a language no one understood for the transaction of restoring the spirit of the dead back to the body.

In reality, groaning is the Spirit's prayer. The Holy one is praying. Likewise, the Spirit helps our infirmities. We may not know what to pray for, but the Spirit makes intercession for us with groanings that cannot be uttered.

Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. Romans 8:26

The infirmity is the impediment of humans unable to align with the mysteries, the will, and the dimensions of God's pre-ordination that unlock the glory of God for earthly dimensions. The real infirmity is the inability to yield completely to the Holy Spirit and allow Him to release the groan. Now lift your hands up, release the strange tongue; it will take you into the realms of groaning.

THE GROANING OF THE SPIRIT, THE FREQUENCIES OF VIBRATION OF ASCENSION, THE SOUND OF DIMENSIONS

Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. Romans 8: 26

There are diversities of prayer under different frequencies. When you pray, you must know that you are in the realm of the spirit, and in the realm of the spirit, there are different dimensions. The Bible calls the heavens 'Heavenly places.' It is not just one place; there are dimensions of the heavenlies, and there are different frequencies into these dimensions of the heavens.

When you begin to groan, you are functioning in a heavenly dimension. In that state, you will pick certain vibrations in your groanings, these vibrations are signs that you are ascending. Then suddenly, you move from where you were into the next dimension with another tongue, with another vibration, with another frequency of the spirit. The tongue given to you is your access to that dimension.

Clearly, as you ascend into that dimension of tongues, you begin to connect, you begin to touch the creatures or the things in that dimension. Then you begin to lay hold and interact with the blessings and establishments of God in that dimension of the heavenlies.

By the time your spirit is done, you pause a little bit. That means take a little bit of breath and launch into the next heavenly realms, and then the entities of that dimension will begin to come interact with you. The church has not prayed much yet. The current church prayers we have today are just in moving circles. No ascension.

Prayer is supposed to be a portal. By the time we open our mouths, the atmosphere will break, dimensions will begin to open up then you hear the sound of heaven, as the sound of a rushing mighty wind. Suddenly, you hear sounds of the spirit, and by the time you hear the first sound and you say it, that becomes a transportation into the frequency that the sound came from.

We must be discerning. We must listen to the sounds of the spirit because we transport into dimensions of the sound when we hear the sound, and begin to utter tongues of dimensions. The Holy Ghost comes with a sound. Until the church learns to tap into the frequencies of the sound of the spirit, elevation will be difficult. It will be difficult to ascend into the dimensions of the spirit. How can we see the visions of the spirit if we don't know how to ascend?

5 CRUCIAL TAKEAWAYS

Chapter Two

*“Every word that comes
from your mouth has
been sent into your
future. Words create
mountains; words move
mountains. . .*

John Anosike

HOW TO REVERSE EVERY ATTACK THAT COMES AGAINST YOU

My question while you are reading this book is? Do you know that you can move every mountain? Things can be moved so quickly if you would speak words of faith. Don't look at circumstances and just let them be; whatever you're facing, you can address it by faith. Speak to that disease, curse it to die, command it to leave your body. You have faith in your spirit, and the faith of God in your spirit has been given to you to speak words that will come to pass. What will come to pass are the words that you say; that is what will come to pass. So if the words that you say address your circumstance, then that is the end of your circumstance. The problem is not the problem; the problem is what you are saying. The miracle is not the miracle; the miracle is the words of your mouth, the content of your mouth.

Because the context here is that you should have whatsoever you say. Do you believe the word of God? Do you believe you are a mountain mover? You know, most of the time, we often want to give up because the words that was said earlier on had not come to pass. You see, when you speak, know that it will come to pass. Do you know why? Because you have spoken by faith. In fact, one of the most effective ways to speak words is to say, "It is written because Jesus assured us.

"For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Mark 11:23

We are not people who complain; we are speakers. Listen, we are talkers. We speak to mountains. Seventy percent of the time, mountains are created by your words. Those casual words that come out of your mouth create your mountains.

I tell you, on the day of judgment people will give account for every careless word they speak.. Matthew 12:36 ESV

Every word that comes from your mouth has been sent into your future. Words create mountains; words move mountains. So you must be a careful speaker. I don't speak my emotions. I don't speak about my pain. I speak the opposite of my pain.

I love to use this instance: when Jesus heard that Lazarus was sick.

"When Jesus heard that, he said, This sickness is not unto death, but for the glory of God, that the Son of God might be glorified thereby. John 11:4

That was the word of Jesus. Lazarus was a dear friend of Jesus, a very close friend of Jesus, but he got sick, and some folks would say, "Oh, Pastor John, why would somebody that is a friend to Jesus get sick?" and Jesus said, It is not unto death, yet he died. When you are confronted by any circumstance, what do you say? Your very first words toward any circumstance would either create that mountain or move the mountain.

When you hear that there's a disease in your body, what do you say? Doctor's report is not the final say. I will say it again: Doctor's report is not the final verdict of God.

Doctor's report is a mountain before you, but the words from your mouth can move the doctor's report. Praise the Lord! We are not at the mercy of any circumstance.

The Bible says

Better is the end of a thing than the beginning thereof. Ecclesiastes 7:8

It means that when you say something concerning a circumstance, you have shaped the end of it, you have determined the outcome. I have seen folks who were diagnosed with a chronic disease, they died with the disease. But I have also seen folks who were diagnosed with the same chronic disease, and at the end of it, they came out in good health.

What transpired between both? One had the same disease that the other had; the first one died of it at the end of it, and the other one came out healed at the end of it.

The difference was just that the first said something different from the other one.

From Genesis, you can determine Revelation. You can say a word that goes straight to create the end of that circumstance

TRAIN YOUR WORDS WITH THESE

DEFEATING NIGHT TERROR, DARKNESS AND SATAN

Every time you look at any human, wherever and whoever the person is, just note one thing: he is a carrier of three major dimensions. Man is a carrier of three governments in one. Human creatures are very complicated. The complexity of human creatures is diverse and deeper than one can ever think of. Every human poses a high level of seduction to spirit creatures. Spirit creatures are very attracted, intensely attracted to human creatures. Man is highly haunted by spirits.

So, within every man are three dimensions. Of course, if I use the word dimensions, it's because you should be able to understand that within dimensions are realms. Man carries three governmental dimensions:

So, man carries these three dimensions as well; there are three dimensions locked up in man. Man is a constitution of three dimensions, and the Bible says that there are three that bear witness on earth: the spirit, the blood, and the water.

The Bible says, For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one. And there are three that bear witness in earth, the spirit, and the water, and the blood: and these three agree in one. 1 John 5:7-8

Jesus prayed with an intense energy such that the bible recounts the thickness of the sweat pouring from his body, akin to that of blood. The son of a lion is a lion. As sons of God, your prayers should not be mere religious rites, but a portal that provokes the atmosphere to stir up righteousness and destabilize the institutions of religion, paving the way for the rise of the sons of God.

The world is under spiritual attack. If you understand the times and seasons within eternal plans of Yeshua, you will recognize that we have moved from the season of the Kingdom to the season of warfare. Something significant is about to happen, and if you are not in a war, you will be distracted.

This is a voice of war. Strive to take your position. Be hot in the tongues of Yahweh; we are about to combat with the princes of darkness, the giants of this age. Don't ever think that we are here fighting a physical war;

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. - Ephesians 6:12

Wake up; we are in a war to extend and establish the reign of God across the creations of God.

As I speak, some of you are spiritually unprepared for the warfare. Your spirit has been entangled with the corruption of this age, you have become a prisoner of the dimensions of illusion, flesh, deception, and manipulations. There is a weight on your

shoulders that has disqualified you from being involved in this final war. God does not use cold people; He uses the hot ones. If you are not hot, you are in trouble. Stop saying, "I am called to ministry when you do not understand warfare." Powers and principalities can attack you and destroy your family. Working for Yahweh in these last days is like taking the position of God against all the forces of hell, all the hordes of hell that hate God will turn against you.

Any man who carries the seal of God attracts dangers because the forces that will attack you for carrying the mandate of Yahweh are innumerable. Ministry is war, Ministry is brokenness, Ministry is sanctification, Ministry is carrying that which opposes your will. You can never have peace in the natural in Ministry; you will only have peace in the spirit. But in the natural, war will come against you on a daily basis. So, prepare for war.

No gentle prayer. Gentle prayers does not work. And take note, we are not praying to be noticed. Don't let them teach you this gentle man prayers. No, that is when you want to commune with your Father.

Communing with the Father is okay. You can do it secretly. But when it comes to Warfare Prayer, it is the prayer of faith.

For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Mark 11:23

Who art thou, O great mountain? before Zerubbabel thou shalt become a plain: Zechariah 4:7

This is not a conversation; this is a command. This is authority at work. This is confrontational. When you speak to mountains, you speak with gusto power.

Arise with spiritual violence and declare, you cancer in my family, you diabetes in my family, you divorce in my family, you addiction in my family, you poverty in my family, you depression and rejection in my family shall become a plain. Engage in a forceful spiritual battle using the tongues of dimension.

Rise to the position where you teach spiritual warfare and guide others into the realms of true warfare. As for me, I will not just impart knowledge; I will train you to ascend, to combat with the prince of darkness until his strongholds are shattered. Without this, there can be no revival.

There is a tearing in my spirit. It signals the final warfare. It is a battle between the sons of God and the princes of darkness, not confined to the physical sphere but waged in the spiritual dimensions

Do you recognize the dimensions you are meant to monopolize? This is not a cliché; we are taking over territories in the realms of the spirit. Our goal is to exert maximum, optimal influence in our world through the tongues of dimensions, altering the very atmosphere.

As we engage in this spiritual invasion, demons in the atmosphere occupying thrones will be dethroned and expelled from their positions. The winds of change are upon us, heralding a new era in the realms of the spirit. Arise and begin to roar with me, precious saint of God.

Question, is there anywhere spirit, water, and blood have agreed in one apart from the human constitution? Is there any creature that you have ever seen that has Spirit, blood, and water apart from man?

So, mankind becomes the representative of God, the witness in this earthly jurisdiction. Man is the ruler of this dimension; he is a constitution of three dimensions unified in one with the spirit. Man can ascend into the spiritual realms and interact with spiritual dimensions, spiritual habitations, and, of course, spiritual creatures in those dimensions.

God has created three dimensions: the spirit dimension, the soulish dimension, and the material dimensions. Only man has the capacity to access these three realms, to host creatures of these three different dimensions. That is why man, by default, is the ruler, representative, and image bearer of God.

Consequently, God has given man access to these three dimensions. Whether you like it or not, forces from these dimensions will continue to have access to your being.

Forces from the water will connect to you because you have water inside. Forces from the deep will continue to connect with you because you carry blood on the inside of you. And, of course, forces from the spirit will continue to influence you because you are a spirit material.

So, man is constantly exposed; man is both a gate and an access to different dimensions. Your spirit attracts the spiritual realms; creatures in the spirit realms are highly interested in your spirit. Creatures from the soulish realm, the second dimension, are interested in your soul. And creatures that are within the material world are also interested in your body.

Each of these dimensions has its unique energies, frequencies, powers, and laws. The consciousness of your spirit must be in alignment with the laws of the spirit to filter the frequencies of the realms. Where there is a division and misalignment of these dimensions that are in one, death would reflect. Where there is an alignment, accurate alignment with the frequencies of these three dimensions in human consciousness; life and peace will flourish.

When the material realms or the material body misses its dimensions and aligns with the frequencies of the soulish realms out of frustration or misguidedness, the electrical field of that dimension will reflect old aging resulting in death and destruction of the human body.

The gate of the human body must be closed against the gate of the soulish realms where creatures of unclean spirits inhabit. The water is not the same as the blood; each of these dimensions that constitutes human consciousness are uniquely different and operate under different laws.

Any conflict of these independent unique dimensions will result in death, depression, anger, addictions, and ongoing frustrations along the way. These are the reasons our world is full of frustrated people, drunkards, people who depend on alcohol, addictions of different types, pornography, addiction of immorality, sexual ecstasies, different levels of sexual urges, and people not able to overcome certain troubles that run through the mental dimensions.

Darkness is a kingdom found in the dimension of the deep, and God called forth another kingdom out of the deep, and that was light. So, there are two kingdoms, the kingdom of light and the kingdom of darkness. Satan is the prince of the power of darkness. The Bible says that

God has delivered us from the domain of darkness and translated us into the kingdom of his dear son. Colossians 1:17

So, the kingdom of his dear son is the kingdom of light. In this dimension of light, you have angelic creatures, the angels of God, the Elohim of God, and different layers of spirits subject to God.

Apart from the seven spirits of God, there are myriads of spirits. Joy is a spirit, patience is a spirit, goodness is a spirit, faith is a spirit, love is a spirit. The Bible calls it the fruit of the spirit, in other words, the offspring of the spirit, when the Bible speaks of spirit; it refers to abilities that carry potentials.

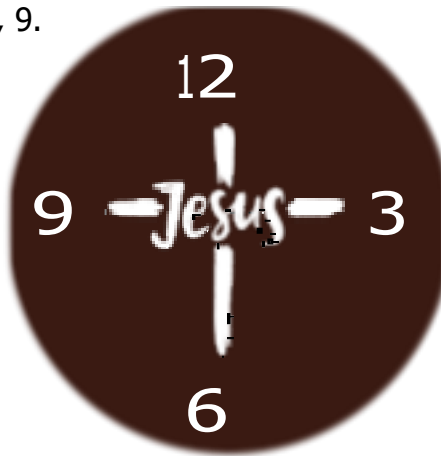

When I possess the spirit of joy, instantly the ability of that spirit begins to work in me. If it is the spirit of joy, suddenly joy will overtake my mind, my heart, and everything about me. Even in the middle of trouble, I will be filled with joy because I have possessed the spirit of joy.

MASTERING SPIRITUAL WARFARE

"Watch these times: 12 a.m., 3 p.m., 12 noon, and 6pm or 6 a.m., 9 a.m. These are powerful spiritual times. Around these times, picture the clock, and you get the cross of Jesus—12, 3, 6, 9.

A clock showing the relationship between the hour of prayer and the cross of Christ.

If you pray at these particular times, something will shift in the atmosphere for you. In the spirit, this time frame is often a powerful portal. Realms open, heavens open, dimensions open in this time zone. If you don't understand the importance of praying at this time, you miss a lot. That is the thing you ought to learn about spiritual warfare—the times you pray and the length of time you pray.

Now, if you cannot pray for at least an hour, you've lost it. Your minimum time of prayer is an hour, so it's good to start from 3 a.m. and pray to 4 a.m. But if it is not easy for you to wake up at 3 a.m. make sure you don't miss 6 a.m. Once it's 6 00. that is an open door, not 6:01. That open door is for you to load into the day, into that moment. What should come out of the day.

I'm explaining like a layman because the simplicity of what I'm saying now can change your entire life. Even though you are tired, put an alarm at 6 a.m. and 12 a.m. It might be tough, but put an alarm. Once it's 12 a.m., let it wake you up. I know you're tired, still on the bed yawning, just say something—even though you don't know what to say, speak in tongues. Hallelujah.

The devil is a liar; you and your family must succeed. Listen, I am committed to your success.

Sometimes, we come into weakness so easily. The Bible says

the spirit is willing, but the flesh is weak Matthew 26:41.

When you pray in tongues, your spirit is the one engaging. So don't acknowledge the weakness of your flesh. Sometimes we think that our prayer is as strong as our flesh feels or as weak as our flesh feels.

The effectiveness, the impact of your prayer is as a result of the powers, the authority, the abilities, and the principles within your spirit. So when you wake up in that moment of the spirit, you start praying—12 noon, 12 am, 6pm, 6 am, 9 am, 9 pm, 3 am, 3 pm. That is the time of prayer.

Have you not heard that the Bible says in the Acts of the Apostles, in the ninth hour of prayer, even Peter, John, and James went to the temple to pray? So there was a time of prayer. The Jews understood that there was a time allocated for prayer.

Now Peter and John were going up to the temple at the hour of prayer, the ninth hour (3:00 p.m.) Acts 3:1 Amp

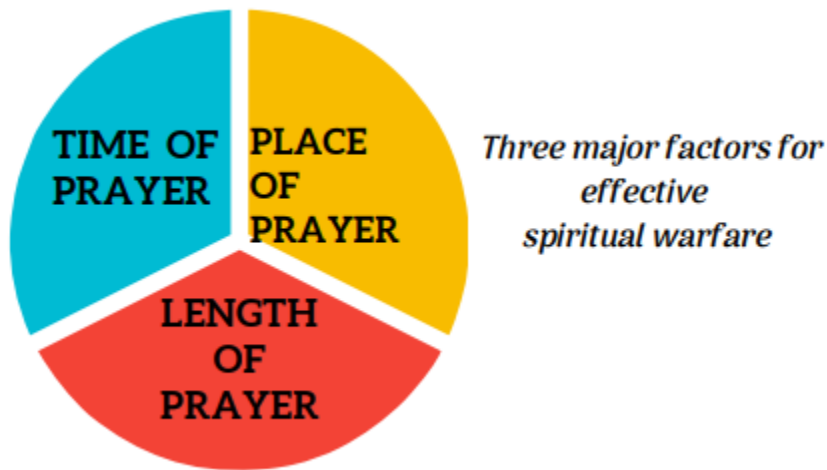

Jesus asked the disciples can you not spend an hour in prayer?' So we download a revelation that Jesus would want us to at least pray for an hour. Time of prayer, the length of prayer, are keys to effective spiritual warfare.

He came back and found his disciples sleeping. So he said to Peter, "Can't any of you stay awake with me for just one hour? Matt 26:40 CEV

Where you pray, time of prayer, length of prayer. Inasmuch as Peter, James, and John had the gift of talking in tongues and could pray by themselves, but there was a place they called a temple to pray. They knew the hour of prayer, they understood the effective place of prayer, they also understood the length of prayer.

Amazingly, the only thing that Peter asked Jesus to teach him was how to pray. Not how to do a miracle. They had watched Jesus perform miracles, they had watched Jesus do signs and wonders.

One day, I sat down and asked myself, 'Why would Peter, the eleven, be more interested in asking Jesus to teach them how to pray? That means Jesus spoke a lot about prayer, and they watched Jesus pray more than He preached. You want to go and preach and your prayer life is dead? You will be exposed to dangers.

The demon you're casting out is an ancient god. The demon was there before your great-great-great-great-great-great-grandparents. They were created in the heavenlies. They are not boys. They know your weaknesses. They can jump at it to attack your destiny. Show me how many church folks in the bible were casting out demons. If not only the apostles. Show me all the church folks under the covering, the teachings and the doctrines of the apostles. Although raised as a corporate body of Christ.

They go out preaching the gospel, getting souls won to Christ, some cases they brought to the apostles.

And God wrought special miracles by the hands of Paul: So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them. ACTS 19:11-12

Remember, some cases were taken to Moses.

And they judged the people at all seasons: the hard causes they brought unto Moses, but every small matter they judged themselves. Exodus 18:26

So some cases they could not deal with, they had to bring the case to the man that had the anointing. But before Moses got the

anointing, he traveled often into the mountains, he was crushed. How many years did it take Moses to qualify? When he left Egypt, 40 years in the wilderness, and he became 80 years to qualify to carry the mantle.

Today, in a few months people want to manifest,
Not a novice, lest being lifted up with pride he fall into the condemnation of the devil. 1 Timothy 3:6

One little attack from the pit of hell would just destroy them. I started in 1986. I only began ministry in 2010. I died and woke up. I have gone through hell. People think that this anointing came overnight. There were times it looked as though heaven was locked against me. This is not a joke. You must be a man of prayer.

So what could make a man pray all night and then do exploits all day? He goes back again and prays all night and does exploits all day. So places of prayer are also in your privacy. If you can pray in your private times, such that nobody knows you are praying, then you have succeeded.

If you are the type that prays for people to see you, forget it. It is fake. You are getting the energy from the praises of people. Oh I prayed for five hours today, and you are saying it to intimidate others. No! Prayer is not for people to praise you.

Infact, your secret life should be a life of prayer because if you have an effective private life of prayer, you will see the manifestations in the physical realms."

Chapter Three

*“He who programs the
atmospheres controls
happenings in the
natural dimensions*

John Anosike

MASTERING SPIRITUAL WARFARE

Have you ever considered that you have the authority to change the condition of your family? You have the authority to change the circumstances of your communities, and even the authority to change the circumstances of nations.

Access to the revelation of God's mysteries is available to you. Do not underestimate the power of an unknown tongue; it will unveil the volumes of the eternal establishments of God's mysteries.

For he that speaketh in an unknown tongue speaketh not unto men, but unto God: for no man understandeth him; howbeit in the spirit he speaketh mysteries. 1 Corinthians 14:2

Some situations are so rooted in the spirit that it takes fasting, prayer, midnight hours, and perseverance in the realms of prayer. Elijah faced such a situation. He went into the secret place of prayer, into the heavenly altars, and intercepted the realms of the spirit.

Elijah began to enchant the realm of the spirit, the tongue that can command the atmosphere to be loaded with rain, with a cloud of rains." Elijah went into the secret place, began to pray, and a few minutes later, he called his servant. Elisha checked the cloud and reported back to Elijah. However, nothing was seen.

Elijah told him to go again, observe the weather, observe the cloud, and after the sixth observation. Elisha went and looked, but again, nothing. Elijah instructed him to stay away, went back, and reprogrammed the atmosphere.

Elijah was just as human as we are, and for three and a half years his prayers kept the rain from falling. James 5:17

We, too, have the authority to reprogram our atmosphere. We can change the condition of our families, the circumstances of our communities, and even the circumstances of nations. Circumstances are not meant to be managed; they are to be changed in the realms . We are not natural men; we are men who can ascend into the authorities of the atmosphere and reprogram the atmosphere. He who programs the atmospheres controls happenings in the natural dimensions.

Elijah continued to pray, uttering the depths of the spirit. Suddenly, the servant returned and said, "Sir, I can see the cloud forming. Things are changing." Elijah persisted in prayer, and over time, the cloud began to form.

And it came to pass at the seventh time, that he said, Behold, there ariseth a cloud out of the sea, as small as a man's hand. And he said, Go up, say unto Ahab, Make ready thy chariot, and get thee down, that the rain stop thee not. 1Kings 18:44 ASV

Men ought always to pray, and not faint. Luke 18:1

HOW TO CULTIVATE THE VIBRATIONS OF YOUR SPIRIT FOR ASCENSION

The Lord began to open my spirit to something deeper. Of course, any man who dwells in the secret place of the Most High will abide under the shadows of the Almighty. The secret place of the Most High is the lights of God, the revelations of God, the glory of God, the intent, the eternal imprints of Yahweh. But a man must be willing to dwell in the secret place of the Most High to abide under the shadow of the Almighty God.

I thank God that somehow we are not merely in the shadow; we are in the light. Jesus is the Light. One of the benefits of our fellowship and intimacy with the Word of God is that it brings light. The Bible says,

"The entrance of thy words giveth light; it giveth understanding unto the simple. Psalm 119:130

Those without light are weak, promiscuous, lacking illumination. You can have bible knowledge and not have the light, read all the books, join the church, but not have the light. The Bible says the entrance, penetration, the breaking through of the Word of God in a man's heart gives us light.

Where there is light, you find the energies of the spirit, the power, glory, and ability of God. God told Joshua not to depart from the book, the revelations.

This book of the law should not depart out of thy mouth, but thou shalt meditate there in day and night. Joshua 1:8

The Lord says, "My people are yet to understand the mysteries, benefits, transportation, elevation, glorification, the ascension that is within the jurisdiction of meditation where they can travel, visit and behold My lights."

Through meditation, we can transport ourselves, travel into the lights, and behold the Lord. God has never departed from light; His habitation is light. He dwells in unapproachable light. Those that stay in meditation would travel through the frequencies of light, subscribing to life, accessing the deep things of the spirit. When we dwell in the secret place of the Most High we are journeying to meet Him in meditation.

For the hour has come, and now is that God is about to raise certain few individuals. I don't know who they are, but sometimes they may be those you would never believe would be raised because the heart is what the Lord looks at.

This book of the Law should not depart from your mouth. However confession of scriptures is not enough, you must travel. You must travel in the light, at the speed of His word through meditation.

When we meditate, we penetrate a place more dense than our normal life. We penetrate the sea of life, and with that, the visions come to us in a powerful way, revealing deep secrets.

Satan tends to capture people's dreams, terrifies them, oppresses, afflicts people dreams because people meditate unconsciously on satanic vibrations.

Why have you allowed the activities of darkness to dominate your subconscious mind? Why have you allowed the worries of this life, distress, anxieties, stress, and lust to dominate and cloud your ability to travel through meditation? The airport to the realms of God is the mind. Satan understands that no man flies into the realms of God without using the trafficking realms of the mind. Satan knows that if he can capture your soul, and entire consciousness, if he succeeds in creating a contrary imagination, a contrary thought, contrary activities in the realm of your mind, he has gotten you.

Meditation is divine, a form of traveling into the realms of God.

In the beginning God created the heavens and the earth. The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters. Genesis 1.1-2

We have the capacity by the Holy Ghost to migrate from this realm into other realms by meditation in the Spirit.

I see, by the Spirit of God, a release of a certain ability, a release of a certain glory for a specific assignment—to migrate the remnant sons of God into the dimensions of the spirit where they can behold the fullness of Zion, the fullness of Yahweh.

In that dimension, they will be visible on earth, yet their consciousness is captured in the realms of God. Every faculty within their minds will be subject to the emitting glory, knowledge, intense fire, passion of the Lord. Then shall the entire universe behold the glory of God. These men and women that God has elected before the foundation of the world will see Jesus. The governments of the world will know that the Lord has sons that He has raised for a time like this.

These individuals are going through their dying moments, dying to the flesh, dying to self, because God will not entrust the power of the ages to come into the hands of carnal men.

I protest by your rejoicing which I have in Christ Jesus our Lord, I die daily. 1 Corinthian 15:31

DOMINATING THROUGH THOUGHTS AND IMAGINATION

There is another generation of the body of Christ—the latter-day generation, the remnants. They will be baptized with fire; this is the glory fire. It's the generation of believers that will be glorified. The glory of God will not fully manifest in this generation, not until we are willing to embrace the leading of the spirit as fire—the fire of tribulation, the fire of holiness in the dimensions of God.

The body does not count. When you buy an egg, what do you eat from the egg? The yolk. What do you do with the shells? Throw them away. The real part of man is the soul. That is why the body easily dies because the life of the body is the soul. The body is completely at the mercy of the soul.

So, you focus a lot on the body, but you have less focus on the mind. Now, let me tell you what happens in the realms of God. Imagination is movement in the realm of God. Thoughts are words. Conversation is made through thinking.

You must understand how these things work in the realms.

"For as he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee. Proverbs 23:7

It means that there is a certain dimension that captures another reality of your existence that you have not seen.

Now, sometimes we are so limited in this illusion, as I often call it. Let me conclude this. Every time you are thinking, you are talking, and every time you are imagining, you are moving. So, if your imagination is upward, you'll be going upward in the physical dimension very soon. If your imaginations are downward, if your imaginations are captured in fear and timidity, your life will be enveloped in failure. You are caught up in everything that your imaginations have released.

There is a power in you that does what you think.

Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us. Ephesians 3:20

What's the power? The power in your mind. One is geared towards transportation and witness, and the other is geared towards expressions like words, virtual expressions. And guess what? Ninety percent of the time, our thinking lines are words said to entities beyond here.

Every time you think, you are talking.

The Bible says

Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed?. Matthew 6:31

Your thoughts are non verbal words, your thinking lines are real words.

When you are thinking, you are speaking, and when you're speaking, the words are propelled to manifest in the physical. So that's what the Bible says:

For as he thinketh in his heart, so is he Proverbs 23:7.

Now, if you understand the power of your thoughts, that there are creatures in the heavenlies, in the thoughts realm, that are geared to hear your thoughts, and their assignment is to bring to manifestation your thoughts. They don't need verbal words. Verbal expression is not primarily for spirits; verbal expression is for humans.

Infact, the words you are going to say tomorrow, are already in the past tense because what you are speaking already has been said and conceived in your heart. So, the mouth speaks what has already been verbalized in the thought line.

The Bible says,

For out of the abundance of the heart his mouth speaks. Luke 6:45

It's important to learn this. A couple of years ago, when I captured this reality, I began to take care of my thoughts. If you dwell on something for long, you will become it, and you will see that thing come to pass. If you put your thoughts on something for a long time, you begin to vibrate energies and frequencies in the realms that will capture the manifestation of what you have been thinking.

Do you know, you become a witch or wizard if your thoughts are contrary to God's Word? That's why the Bible says one of the works of the flesh is witchcraft, and these works of the flesh deliver death. There are so many witches in church without knowing.

Now the works of the flesh are manifest, which are these; Adultery, fornication, uncleanness, lasciviousness, idolatry, witchcraft.. Galatians 5:19-20

The quickest way to travel to heaven is to obtain the mind of Christ. Imagine when you have the mind of Christ; your thoughts are the words of God. You're conversing with God; your imaginations are transportation into the dreams and presence of the Lord. Hallelujah! Hallelujah! That's where we ought to dwell, where no corruption has access into your consciousness.

Understand this revelation today, that in the realm of God, you talk by thinking; you converse with thoughts, not with words. You move by imagination.

CONCLUSION

From the beginning of my ministry, the Lord said, ***"You are not a church; you are not a ministry; you are a war."***

He said, "My son, go into nations, roar in the atmosphere, travel into the spirit, set men and women free from the chains of darkness in nations."

Come, join the man of God to push the fire. We are prevailing in the atmosphere for the revival of the spirit to sweep across the nations. Release yourself as a warrior in the hand of Yahweh. Get ready to travel in the dimensions of the spirit, where spiritual nations are established, and spiritual kingdoms are forged.

And hast made us unto our God kings and priests: and we shall reign on the earth. Revelation 5:10

Everybody in the body of Christ is a king. So the question is, where is your throne? Where is your mountain of influence and power? A king decrees power.

Where the word of a king is, there is power: and who may say unto him, What doest thou? Ecclesiastes 8:4

Powers are subject to kings. No power comes under any man until that man is a qualified king and sits on his throne.

Jesus has restored, regained, and retrieved all powers that were originally subject to man. Kings are rulers of powers, not rulers of humans. Humans control powers; humans can summon spirits and send them on errands. Spirits serves man. So why is it that powers don't respond to you? Powers don't respond to you because you have not assumed your position as a king. You think being a king is in the mouth. You were called a king to go and take back your throne. Where is your throne?

Listen, the thrones that control all the relevant sectors and things on earth in the realms are very determined to rule everything. We are fighting too much here; there is less space. The moment you get your space in the realms, you will gain your influence on earth.

You cannot war in the realm of principalities without being a higher principality. You must rise in the ranking of principalities to dethrone principalities.

How can anyone break into the house of a strong man and steal his things, unless he first ties up the strong man? Then he can take everything. Mark 3:27 CEV

They are eternal creatures. Only Yeshua can cast them into hell and torture them in that abyss. You can cast out demons , but for principalities, you wrestle, you chain them, you paralyze them, you drag them, you put them to sleep, and you dispossess the souls.

When I went to Florida, I warred against the principality of Florida two days before the conference. A beast came out of the sea and fought against me. When I went to India, I warred against a tunnel that linked into an underworld. I saw seven dark creatures as I went into the underworld. At 12:00 a.m, the portal opened up, hundreds of beasts came out. One dark creature will take hundreds of beasts to a province in India to cast a spell over the nation.

When I went to the Philippines, I saw a mighty python whose head reached the heavens. I met principalities of different provinces.

This is not time to play church. This is war! This is war!! Join this chariot.

***For we are not fighting against flesh-and-blood enemies, but against evil rulers and authorities of the unseen world, against mighty powers in this dark world, and against evil spirits in the heavenly places.
Ephesians 6:12 NLT***

PROPHECY REGARDING
THE END OF THE WORLD
AND THE COMING
JUDGEMENT

"I heard the voice of the Father speaking.

For I have heard your intercession; it is pleasing unto my soul. And I shall grant your requests. My spirits fall upon my people. And the whole world will know again that I am He, that is, and that was, and that is to come.

I am Alpha and Omega, the beginning and the ending. For one more time, I shall shake the heavens and the earth. And every creature will know that I hold the world in my palms.

For my breath again shall come out of my nostrils, and the heavens and the earth shall quake, and they that shall be shaken off shall be shaken away, and they that shall be preserved will be reserved in the bosom of my love.

Behold, it is now. My arms have been stretched with mercy, but I'm about to stretch forth the other hand . With the rod of iron, for I shall judge the nations of the world.

For I have spoken many times into their conscience; many have not hearkened unto the voice of my rebukes and warnings. Yet my love continues to flow over generations upon generations, for the intercessions and the blood of my saints have reached my throne.

One more time will I look upon the earth with my vengeance, but in the light of this vengeance will I rescue the lowly-hearted, the meek in heart, and they that have sought me.

Yet it looks as though I was not there; my presence shall be made visible, and I shall see all the atrocities of men that I have hidden in the blood of my son. For I will remove the blood of my son; then shall my fierce vengeance be released upon the earth. But they that have received and embraced my son will be covered in my love.

For yet again will I respond to the earth like I responded in the days of Noah, and Sodom and Gomorrah. For the days shall speak of it, for I am the Lord; I change not. My love will always speak; my son has done it all. For he wears tears in my presence always, that continue to calm my wrath. The tears of my son has been pushing back the judgment.

I've waited for so long!

Now my vengeance shall be released upon the face of the earth. They who say that I am not shall call upon me in fear; they shall hear.

But the doors will be locked because they have hardened their hearts in the days of salvation.

For I am the Lord, I change not.
